

# Gauge box with Flip Cover - 100 rnd. - 9x21 - Black

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

## Armanov 100 round Ammo Checker with Flip Cover is the shooting sports favourite reloading companion!

Since most malfunctions are ammo related, and most of those relate to deformed, bulging or otherwise defective brass - dropping the ammo into a gauge is an effective way to reduce the chance of a costly malfunction.

A lot of sports shooters reload their ammo, and so checking your ammo for consistency is a must, especially for competition.

Armanov Ammo Checker is machined from highest grade aluminium, with pockets finished using a special reamer made to tight CIP tolerances specification.

The height of the Gauge Box is precisely machined to the maximum overall round length of the respective caliber and this feature helps finding rounds with insufficiently seated bullets.

### Improved Design!

New extra feature is the bottom caved level design, made for faster and simpler ejection out of the gauge box and into a container.

Because we know your fingers don't fit.

### Available in calibers:

- 9x19
- 9x21
- .38 Super Comp / .Super Auto
- .40 S&W
- 10 mm Auto
- .45 ACP
- .357 Mag / .38 Special

The 100 pockets allow you to drop the rounds in a lot faster than into a single or 20 gauge boxes, cutting your testing time down to less than quarter of the time!

Gauge comes with free flip cover so you just flip your rounds to ammo boxes. No more double work.

With this tool you can test 100 rounds in almost the same time as it takes you to put the rounds in a case box.

This gauge box works best with MTM case guard boxes or Dillon precision ammo boxes for some models.

### What comes in the box?

This product includes precision aluminium Ammo checker block and aluminium Flip cover.

Any other product which may appear on any photo or video on this page (such as OAL Uniformer, marking stencil, MTM ammo box or any other) is **not included**.

# ARMANOV Gauge Box with Flip Cover Safety Instruction Guide

## Introduction

Thank you for choosing the ARMANOV Gauge Box with Flip Cover. This product is designed to assist you in checking the consistency of your ammunition, ensuring a safer shooting experience. This guide provides essential safety information, usage instructions, and contact information for further support.

## General Safety Guidelines

- Always use the ARMANOV Gauge Box in accordance with these safety guidelines to minimize risks.
- Ensure that the product is used only for its intended purpose: checking the consistency of ammunition.
- Keep the Gauge Box out of reach of children and vulnerable individuals.
- Regularly inspect the Gauge Box for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or product malfunctions to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling Ammunition:**
  - Always treat all ammunition as if it is live and handle with care.
  - Do not attempt to use the Gauge Box with defective or visibly damaged ammunition.
- **Using the Gauge Box:**
  - Ensure the Gauge Box is placed on a stable surface before use.
  - Avoid placing fingers or any body parts near the ejection area when dropping rounds into the Gauge Box.
- **Environmental Considerations:**
  - Use the Gauge Box in a welllit area to ensure accurate placement of ammunition.
  - Do not expose the Gauge Box to extreme temperatures or moisture.
- **Personal Protective Equipment (PPE):**
  - It is recommended to wear safety glasses while handling ammunition to protect your eyes.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Gauge Box from its packaging.
- Ensure that the Flip Cover is attached securely to the Gauge Box.

### 2. Usage:

- Open the Flip Cover of the Gauge Box.
- Drop the ammunition rounds into the respective pockets of the Gauge Box.
- Check that each round is seated properly and is not deformed.
- To eject rounds, simply flip the Gauge Box to allow the ammunition to fall into your container.

- After use, close the Flip Cover to protect the Gauge Box from dust and debris.

## **Disposal Instructions**

- Dispose of the Gauge Box responsibly at a designated recycling facility.
- If the Gauge Box is damaged beyond repair, ensure that it is disposed of in a manner that prevents environmental harm.
- Follow local regulations for the disposal of aluminium products.

## **Contact Information for Further Support**

For further assistance regarding the ARMANOV Gauge Box with Flip Cover, please refer to the product packaging for details on how to contact the manufacturer or authorized distributor.

Thank you for prioritizing safety while using the ARMANOV Gauge Box with Flip Cover. Enjoy your shooting experience!
