

Gauge box with Flip Cover - 100 rnd.- .38 - Super Comp

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Armanov 100 round Ammo Checker with Flip Cover is the shooting sports favourite reloading companion!

Since most malfunctions are ammo related, and most of those relate to deformed, bulging or otherwise defective brass - dropping the ammo into a gauge is an effective way to reduce the chance of a costly malfunction.

A lot of sports shooters reload their ammo, and so checking your ammo for consistency is a must, especially for competition.

Armanov Ammo Checker is machined from highest grade aluminium, with pockets finished using a special reamer made to tight CIP tolerances specification.

The height of the Gauge Box is precisely machined to the maximum overall round length of the respective caliber and this feature helps finding rounds with insufficiently seated bullets.

Improved Design!

New extra feature is the bottom caved level design, made for faster and simpler ejection out of the gauge box and into a container.

Because we know your fingers don't fit.

Available in calibers:

- 9x19
- 9x21
- .38 Super Comp / .Super Auto
- .40 S&W
- 10 mm Auto
- .45 ACP
- .357 Mag / .38 Special

The 100 pockets allow you to drop the rounds in a lot faster than into a single or 20 gauge boxes, cutting your testing time down to less than quarter of the time!

Gauge comes with free flip cover so you just flip your rounds to ammo boxes. No more double work.

With this tool you can test 100 rounds in almost the same time as it takes you to put the rounds in a case box.

This gauge box works best with MTM case guard boxes or Dillon precision ammo boxes for some models.

What comes in the box?

This product includes precision aluminium Ammo checker block and aluminium Flip cover.

Any other product which may appear on any photo or video on this page (such as OAL Uniformer, marking stencil, MTM ammo box or any other) is **not included**.

ARMANOV GAUGE BOX WITH FLIP COVER Safety Instruction Guide

Introduction

Thank you for choosing the ARMANOV Gauge Box with Flip Cover. This product is designed to assist in the reloading process for ammunition in a safe and efficient manner. Please read this safety instruction guide carefully to ensure proper use and to maximize safety while using this product.

General Safety Guidelines

- Always handle ammunition and reloading equipment with care.
- Ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Gauge Box for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of 100 rounds as specified by the manufacturer.
- Avoid using the Gauge Box with damaged or deformed ammunition.
- Ensure that the Gauge Box is placed on a stable surface during use to prevent accidental tipping.
- Do not use excessive force when inserting or removing ammunition from the Gauge Box.
- Always wear appropriate eye protection when handling ammunition and during the reloading process.

Instructions for Installation and Usage

1. Setting Up the Gauge Box

- Place the Gauge Box on a flat, stable surface.
- Ensure that the Flip Cover is securely attached before use.

2. Using the Gauge Box

- Open the Flip Cover to access the gauge pockets.
- Carefully drop the rounds into the pockets, ensuring they are seated properly.
- Check for any rounds that do not fit correctly, indicating a potential issue with the ammunition.

3. Ejecting Rounds

- To remove rounds, simply flip the Gauge Box to allow the ammunition to fall into your container.
- Use the bottom caved level design for smoother ejection.

4. PostUse Care

- After use, clean the Gauge Box as needed to maintain its condition.
- Store the Gauge Box in a safe location away from children.

Disposal Instructions

- Dispose of the Gauge Box according to local regulations regarding aluminum recycling.
- Ensure that any ammunition that is no longer usable is disposed of safely and in accordance with local

laws.

Contact Information for Further Support

For any questions or concerns regarding the ARMANOV Gauge Box with Flip Cover, please refer to the manufacturer's website or contact their customer service for assistance.
