

# OAL Checker for Case Gauge Box - 9x19 or 9x21 or 38 SuperComp

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Here's a cool upgrade for the **Armanov Ammo Checker** - an Overall Round Uniformer!

It fits perfectly to the new model of the **Ammo Checker** - the one with an edge on the bottom side.

It won't fit the original, bottom-flat model.

## Available for calibers:

- 9 x 19 mm or 9 x 21 mm or 38 SuperComp
- 40 S&W or 10 mm Auto or 45 ACP

NO IMAGE  
AVAILABLE

## See how it works

Just position it below the Case Gauge box and all rounds will stand out for you to inspect.

## Simple and effective!

This way you'll find **improperly seated bullets**, rounds with **different bullets** and make another step to **truly uniform ammo**!

## See the result immediately

**An innovative product which will make your reloading easier and shooting safer!**

## What comes in the box?

This product includes OAL Uniformer, made of clear Acryl.

Any other product which may appear on any photo or video on this page (such as Ammo checker, marking stencil, MTM ammo box or any other) is **not included**.

# ARMANOV OAL CHECKER FOR CASE GAUGE BOX

## Safety Instruction Guide

### Introduction

Thank you for choosing the ARMANOV OAL Checker for Case Gauge Box. This innovative tool is designed to enhance your reloading process, ensuring that your ammunition is uniform and safe to use. Please read this safety instruction guide carefully to ensure the safe and effective use of this product.

### General Safety Guidelines

- **Product Safety:** Ensure that you use the ARMANOV OAL Checker according to the instructions to avoid any potential hazards associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Follow any instructions provided in the event of a recall.
- **Online Shopping:** When purchasing this product online, ensure that you buy from reputable sellers who comply with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate contact points as required by EU regulations.
- **Rapid Alerts:** Be vigilant for updates on unsafe products through the EU Safety Gate system.

### Specific Safety Precautions for Use

- Always inspect the OAL Checker for any damage before use. Do not use if damaged.
- Ensure the OAL Checker is compatible with your model of the Ammo Checker. It is designed specifically for the new model with an edge on the bottom side.
- Use the OAL Checker only for the specified calibers: 9 x 19 mm, 9 x 21 mm, or 38 SuperComp.
- Do not use the OAL Checker with the original bottomflat model of the Ammo Checker.
- Always handle ammunition with care. Follow standard safety practices for reloading and handling ammunition.
- Do not modify or attempt to repair the OAL Checker. For any issues, contact the manufacturer.

### Instructions for Installation and Usage

#### 1. Installation:

- Position the OAL Checker below the Case Gauge box.
- Ensure it is securely placed and stable before use.

#### 2. Usage:

- Place your ammunition rounds into the Case Gauge box.
- The OAL Checker will allow all rounds to stand out for easy inspection.
- Inspect each round for proper seating and uniformity.
- Identify any improperly seated bullets or rounds with different bullets.
- Proceed with your reloading process, ensuring uniform ammunition.

### Disposal Instructions

- Dispose of the OAL Checker in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the ARMANOV OAL Checker, please refer to the manufacturer's website or contact the appropriate support channels as per EU regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you are our top priority. Enjoy using your ARMANOV OAL Checker for a safer and more effective reloading experience!
