## Description

Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.030" tactical reset and offers outstanding reliability, even in the harshest environments. This trigger bears the adaptable name because changing its pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH AR15 - Competitive Flat](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2009980
- Mfr. No.: AR0-TBS-33-NNF
- Style: Flat
- Weapon type: AR-15
- Delivery weight: 0.13kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 140mm
- UPC: 885768000352

# Safety Instruction Guide for TRIGGERTECH AR15 Competitive Trigger

## Introduction

Thank you for choosing the TRIGGERTECH AR15 Competitive Trigger. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read the following information carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the TRIGGERTECH AR15 Competitive Trigger by following all instructions and guidelines provided in this document.
- **Enhanced Recalls:** Stay informed about any recall notices related to the product. If a recall occurs, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements as mandated by EU laws.
- **Special Consumer Focus:** This product is intended for adult use only. Keep it out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU support center associated with the product.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on unsafe products or recalls.

## Specific Safety Precautions for Use

- **Use in a Safe Environment:** Always use the trigger in a controlled and safe environment, away from unauthorized individuals.
- **Proper Handling:** Handle the trigger carefully to avoid accidental discharge. Always treat it as if it is loaded.
- **Wear Protective Gear:** When using firearms equipped with this trigger, wear appropriate safety gear, including eye and ear protection.
- **Check Compatibility:** Ensure that the trigger is compatible with your AR15 platform before installation.
- **Regular Inspections:** Regularly inspect the trigger and firearm for any signs of wear or damage. Do not use if damaged.

## Instructions for Installation and Usage

1. **Read the Manual:** Before installation, read all instructions provided in this guide and any additional documentation included with the product.
2. **Gather Tools:** Ensure you have the necessary tools for installation, including a punch tool, hammer, and any other specified tools.
3. **Remove Existing Trigger:**
  - Ensure the firearm is unloaded.
  - Disassemble the firearm according to the manufacturer's guidelines.
  - Remove the existing trigger carefully.
4. **Install the TRIGGERTECH AR15 Competitive Trigger:**
  - Align the new trigger with the trigger housing.
  - Insert the trigger pin and secure it using the punch tool.
  - Ensure the trigger is seated properly and operates smoothly.
5. **Test Functionality:**
  - Before using the firearm, conduct a function test of the trigger to ensure it operates correctly.
  - Check for smooth pull and reset.
6. **Final Assembly:** Reassemble the firearm according to the manufacturer's instructions.

7. **Safe Storage:** When not in use, store the firearm in a secure location, and ensure the trigger is not accessible to unauthorized individuals.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the TRIGGERTECH AR15 Competitive Trigger in accordance with local regulations to minimize environmental impact.
- **Recycling:** If applicable, recycle components as per local recycling guidelines.
- **Hazardous Materials:** If any part of the trigger contains hazardous materials, follow appropriate disposal methods as required by law.

## Contact Information for Further Support

For any questions or concerns regarding the TRIGGERTECH AR15 Competitive Trigger, please refer to the manufacturer's support resources or visit the EU Safety Gate platform for up-to-date safety information.

By adhering to these safety guidelines, you will ensure a safer experience with your TRIGGERTECH AR15 Competitive Trigger. Thank you for prioritizing safety.
