## Description

Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.030" tactical reset and offers outstanding reliability, even in the harshest environments. This trigger bears the adaptable name because changing its pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH AR15 - Black Competitive Curved](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2009981
- Mfr. No.: AR0-TBB-33-NNC
- Style: Curved
- Weapon type: AR-15
- Delivery weight: 0.13kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 140mm
- UPC: 885768000406

# TRIGGERTECH AR15 Competitive Trigger Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH AR15 Competitive Trigger. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure that the firearm is unloaded before installing or handling the trigger.
- Follow all local laws and regulations regarding firearm modifications.
- Use protective eyewear when installing or using the trigger.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- If you notice any irregularities in the trigger's performance, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- The TRIGGERTECH AR15 trigger is designed for use with AR15 platforms only. Do not use it with other firearm types.
- Ensure that the trigger pull weight is adjusted according to your comfort and safety preferences.
- Avoid using the trigger in extreme environmental conditions unless the firearm is specifically designed for such use.
- Always ensure that the firearm is pointed in a safe direction when handling or operating the trigger.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's instructions.
- Remove the existing trigger assembly.
- Carefully install the TRIGGERTECH AR15 trigger by following the provided installation instructions.
- Ensure all components are securely in place and reassemble the firearm.

### 2. Usage:

- Before firing, conduct a function check to ensure that the trigger operates correctly.
- Adjust the trigger pull weight as desired, ensuring it remains within safe limits.
- Use the firearm in a controlled environment, adhering to all safety practices and guidelines.

## Disposal Instructions

- Dispose of any old or damaged triggers and components in accordance with local regulations.
- Ensure that all materials are disposed of safely to prevent harm to individuals or the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIGGERTECH AR15 trigger, please refer to the manufacturer's official website or contact their customer support for assistance.

Please ensure that you adhere to all safety guidelines and instructions provided in this manual. Your safety and the safety of those around you is paramount. Thank you for your attention to these important safety measures.
