

AR15 - Adaptable Curved

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. **Housing:** 7075 Aluminum (annodized)
2. **Key Components:** 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.030" tactical reset and offers outstanding reliability, even in the harshest environments. This trigger bears the adaptable name because changing its pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

TRIGGERTECH AR15 Adaptable Trigger Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGERTECH AR15 Adaptable Trigger. This guide provides essential safety instructions to ensure the safe use and handling of your trigger. Please read this document carefully to understand the safety precautions, installation instructions, and disposal guidelines.

General Safety Guidelines

- **Product Safety:** This trigger is designed for safe use in accordance with EU regulations. Ensure you follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notice, follow the instructions provided to remedy any issues.
- **Online Shopping Protections:** If purchased online, ensure the retailer complies with safety requirements as per EU regulations.
- **Special Consumer Focus:** If you are a vulnerable consumer or using this product around vulnerable individuals, take extra precautions to ensure safety.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point as indicated by your retailer.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised at all times when handling firearms.
- **Proper Training:** Only use the trigger if you have received proper training in firearms handling and safety.
- **Inspection Before Use:** Regularly inspect the trigger for any signs of wear or damage. Do not use if damaged.
- **Safe Handling:** Always treat the trigger as if it is loaded. Keep your finger off the trigger until ready to shoot.
- **Environment:** Use the trigger in a safe and controlled environment. Avoid using it in crowded or uncontrolled areas.
- **Storage:** When not in use, store the trigger in a secure location away from unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Follow the manufacturer's guidelines for installing the TRIGGERTECH AR15 Adaptable Trigger.
- Ensure all components are properly secured and functioning before use.

2. Usage:

- Familiarize yourself with the trigger's operation before taking it to the range.
- Use the trigger in accordance with the firearm's operational manual.
- Maintain a proper shooting stance and grip while using the trigger.
- Be aware of your surroundings and ensure a clear line of fire.

Disposal Instructions

- **Disposal of Unused or Damaged Product:** If you need to dispose of the trigger, follow local regulations for hazardous waste disposal.
- **Recycling:** Check with local authorities for recycling options for metal components.

Contact Information for Further Support

For further assistance, please contact your retailer or check the EU's Safety Gate platform for safety inquiries and updates.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible use and adherence to these instructions.
