## Description

Our AR10 Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH AR10 - Black Competitive Curved](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2009990
- Mfr. No.: ART-TBB-33-NNC
- Style: Curved
- Weapon type: AR .308
- Delivery weight: 0.13kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768002196

# TRIGGERTECH AR10 Black Competitive Curved Trigger Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH AR10 Black Competitive Curved Trigger. This guide provides essential safety instructions to ensure the safe use of your trigger. Please read and understand these guidelines before installation and use.

## General Safety Guidelines

- Always treat the trigger as if it is loaded.
- Keep the trigger and all firearms out of reach of children and unauthorized users.
- Ensure that the firearm is pointed in a safe direction at all times.
- Only use the trigger with compatible firearms as specified by the manufacturer.
- Regularly inspect the trigger for any signs of wear or damage before use.
- If you experience any malfunction, do not attempt to fix it yourself. Seek professional assistance.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or handling the trigger.
- Use only specified ammunition that is compatible with your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the trigger or attempt to disassemble it unless instructed by a qualified professional.
- Avoid using the trigger in extreme weather conditions that may affect performance.
- Always wear appropriate eye and ear protection while shooting.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Follow the manufacturer's instructions for removing the old trigger.
- Carefully install the TRIGGERTECH AR10 trigger by aligning it with the trigger housing.
- Secure the trigger in place according to the provided installation instructions.
- Doublecheck that the trigger is properly installed and functions correctly before use.

### 2. Usage

- Familiarize yourself with the trigger's operation and ensure you understand how it functions.
- Practice safe handling and shooting techniques.
- Adjust the pull weight of the trigger as needed, ensuring that it does not affect the hammer force.
- Maintain a proper shooting stance and grip while using the firearm.

## Disposal Instructions

- Dispose of the trigger in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For safety inquiries or assistance, please contact the manufacturer or visit their official website for further support.

Thank you for prioritizing safety while using the TRIGGERTECH AR10 Black Competitive Curved Trigger. Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
