

AR9 - BLACK COMPETETIV - TRIGGERTECH AR9 - Black Competitive Curved

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (annodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

AR9

The AR-9 trigger's hammer design has more mass compared to our AR15 model, which increases inertia. The Center of Percussion is also lower in comparison to AR15, which is specific to the AR-9 platform. This allows maximum energy delivery upon impact with the firing pin, while reducing vibration and wear.

Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Attributes

- Name: [TRIGGERTECH AR9 - Black Competitive Curved](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2009997
- Mfr. No.: AR9-TBB-33-NNC
- Style: Curved
- Weapon type: AR-15
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 114mm

TRIGGERTECH AR9 Black Competitive Curved Trigger Safety Instructions

Introduction

Thank you for choosing the TRIGGERTECH AR9 Black Competitive Curved Trigger. This guide provides essential safety instructions to ensure the safe and effective use of your trigger. Please read this document carefully and follow all safety guidelines.

General Safety Guidelines

- Ensure that the trigger is installed correctly in accordance with the manufacturer's instructions.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Store the trigger and firearm securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Use appropriate protective gear, such as eye and ear protection, when handling firearms.

Specific Safety Precautions for Use

- The TRIGGERTECH AR9 trigger is designed for use with specific firearm models. Ensure compatibility before installation.
- Do not modify the trigger in any way that could affect its performance or safety.
- Be aware of your environment and ensure that you are in a safe location when using the trigger.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.
- This trigger is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and the safety is engaged before beginning installation.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the TRIGGERTECH AR9 trigger following the provided installation guide.
- Verify that the trigger is securely installed and functions correctly before use.

2. Usage

- Familiarize yourself with the trigger's features, including the Zero Creep Technology™ and Frictionless Release Technology™.
- Adjust the pull weight as needed, ensuring that it does not compromise reliability.
- Practice using the trigger in a safe environment to become accustomed to its feel and operation.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Instead, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIGGERTECH AR9 trigger, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH AR9 Black Competitive Curved Trigger. Thank you for your attention to safety and responsible firearm use.
