

MPX - Black Adaptable Curved

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

SIG MPX

The SIG MPX trigger features a bumper in the housing that transfers the majority of the blow back energy to the lower receiver. This was designed with safety in mind and helps to protect the trigger.

Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

TRIGGERTECH MPX Black Adaptable Trigger

Safety Instructions

Introduction

Thank you for choosing the TRIGGERTECH MPX Black Adaptable Trigger. This product is designed for competitive shooters seeking accuracy and reliability. To ensure safe and proper usage of your trigger, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded.
- Ensure that the trigger is installed properly and securely before use.
- Regularly inspect your trigger for any signs of wear or damage.
- Store this product in a safe place, away from children and unauthorized users.
- Be aware of your surroundings when using your firearm, and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the trigger or any of its components. Alterations can compromise safety and performance.
- **Use Proper Ammunition:** Ensure that you are using the correct and recommended ammunition for your firearm.
- **Check Compatibility:** Verify that the TRIGGERTECH MPX trigger is compatible with your firearm model before installation.
- **Proper Maintenance:** Clean and maintain your trigger according to the manufacturer's instructions to ensure optimal performance and safety.
- **Use in Safe Conditions:** Only use this trigger in appropriate settings and conditions. Avoid using in wet or extreme environments unless specified.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before proceeding with installation.
- Follow the manufacturer's instructions for removing the existing trigger and installing the TRIGGERTECH MPX trigger.
- Confirm that all components are securely in place and functioning correctly before using the firearm.

2. Usage:

- Familiarize yourself with the trigger's operation. Practice using it in a controlled environment before participating in competitive shooting.
- Maintain a proper grip and stance while using your firearm to ensure control and accuracy.
- Always be aware of the trigger's reset point and take care to avoid unintentional discharges.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger is damaged or no longer in use, contact local waste management authorities for information on safe disposal methods.

- Do not dispose of the trigger in regular household waste. Ensure it is disposed of in a manner that does not pose a risk to others.

Contact Information for Further Support

For any questions or concerns regarding the TRIGGERTECH MPX Black Adaptable Trigger, please refer to the manufacturer's website or contact their support team for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TRIGGERTECH MPX trigger. Thank you for your attention to these important safety guidelines.
