

# Rails - 20 MOA - REMINGTON MODEL 783 SA

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope\*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

# Safety Instruction Guide for MDT Rails 20 MOA REMINGTON MODEL 783 SA

## Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails for your Remington Model 783 SA. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount a scope on your bolt action rifle.
- Regularly inspect the scope rail for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions when installing and using the product.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the rifle is unloaded and pointed in a safe direction when installing the scope rail.
- **Recoil Considerations:** Be aware that the integrated recoil lug is designed to prevent movement during firing. Ensure it is properly engaged.
- **Optics Alignment:** Make sure to align your scope correctly to prevent strain on the rail and the scope during use.
- **Weight Limitations:** Do not exceed the recommended weight limit for scopes mounted on the rail to avoid potential failure.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions, as this may affect performance and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Clean the mounting area on the rifle receiver to ensure a proper fit.

### 2. Installation Steps:

- Position the MDT Scope Base Picatinny Rail on the rifle receiver, ensuring that it aligns with the mounting holes.
- Insert the screws provided with the rail into the mounting holes.
- Tighten the screws using a torque wrench to the manufacturer's recommended torque settings to avoid overtightening.
- Verify that the rail is securely mounted and does not move when pressure is applied.

### 3. Scope Mounting:

- Attach your scope to the rail according to the scope manufacturer's instructions.
- Ensure that the scope is level and securely fastened to prevent movement during use.

#### 4. PostInstallation Check:

- After installation, perform a visual inspection to confirm that all components are securely attached.
- Test the functionality of the scope and rail before taking the rifle to the field.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the product in regular household waste.
- If you are unsure of how to dispose of the product, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any safety inquiries or support regarding the MDT Scope Base Picatinny Rails, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MDT Scope Base Picatinny Rails. Thank you for your attention to safety, and enjoy your shooting experience!
