

# Rails - CZ457 - MDT - Rails - 50 MOA - CZ457

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope\*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

# MDT Rails CZ457 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails for your CZ457 bolt action rifle. This product is designed to securely mount your optics, providing enhanced accuracy and performance. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Product Safety: Always ensure the product is used as intended. Follow all instructions to minimize risks.
- Enhanced Recalls: Stay informed about product recalls. Check for updates regularly.
- Online Shopping: Purchase only from authorized retailers to ensure you receive a safe and genuine product.
- Special Consumer Focus: Extra caution is advised when using this product around children. Keep out of reach of minors.
- EU Contact Point: For safety inquiries, refer to the contact provided by your retailer.
- Rapid Alerts: Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- Ensure the rifle is unloaded before installation.
- Always wear appropriate eye protection when handling firearms.
- Inspect the Picatinny rail for any damage before use.
- Do not exceed the weight limit of the rail when mounting optics.
- Ensure all screws and fasteners are securely tightened before use.
- Do not modify the rail or the rifle in a way that could affect safety or performance.
- If you experience any issues during installation or use, discontinue use and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the rifle is unloaded.
- Gather necessary tools: a torque wrench and appropriate screwdrivers.

### 2. Installation Steps

- Align the MDT Scope Base Picatinny Rail with the mounting holes on the receiver.
- Insert the screws provided with the rail into the mounting holes.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.
- Ensure the rail is flush against the receiver and properly aligned with the ejection port.

### 3. Mounting Optics

- Select your scope and ensure it is compatible with the Picatinny rail.
- Position the scope on the rail and adjust the placement according to your preference.
- Secure the scope using the appropriate rings or mounts.
- Doublecheck that all mounts and screws are tight before use.

### 4. Post Installation Check

- Verify that the rail and scope are securely mounted.

- Conduct a function check of the rifle to ensure there are no obstructions or issues.

## **Disposal Instructions**

- Dispose of packaging materials responsibly. Recycle where possible.
- If the product is no longer usable, follow local regulations for the disposal of aluminum materials.
- Ensure that any components are disposed of in a manner that does not pose a risk to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation and use of the MDT Scope Base Picatinny Rails, please refer to the contact information provided by your retailer or manufacturer. Always ensure you have the latest information regarding product safety and usage.

By following this safety instruction guide, you can ensure a safe and enjoyable experience with your MDT Scope Base Picatinny Rails. Thank you for your attention to safety.
