# MDT Vertical Adjustment Buttpad Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Vertical Adjustment Buttpad. This product is designed to enhance your shooting experience by allowing finetuned vertical and horizontal adjustments. It is compatible with several chassis systems, including the MDT XRS and HNT26 Chassis Systems, as well as the ORYX Sportsman Chassis System. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the buttpad is installed correctly before use.
- Regularly check the buttpad for any signs of wear or damage.
- Only use the buttpad with compatible chassis systems as listed in the product specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before making any adjustments to the buttpad.
- Avoid using excessive force when adjusting the buttpad to prevent damage.
- Do not modify the buttpad or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment when using the product.
- If you experience any discomfort while using the buttpad, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Remove the existing buttpad from your MDT chassis system.
- Align the MDT Vertical Adjustment Buttpad with the mounting points on the chassis.
- Secure the buttpad in place using the provided screws or fasteners.
- Ensure that the buttpad is firmly attached and does not wobble or shift.

### 2. Adjusting the Buttpad:

- To make vertical adjustments, loosen the adjustment screws located on the side of the buttpad.
- Slide the buttpad to the desired height and tighten the screws securely.
- For horizontal adjustments, repeat the process using the horizontal adjustment screws.

### 3. Usage Tips:

- Familiarize yourself with the adjustments before heading to the range.
- Make adjustments while the firearm is in a safe position and unloaded.
- Practice adjusting the buttpad in a controlled environment to ensure comfort and stability during use.

## **Disposal Instructions**

- Dispose of the buttpad in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Ensure that any components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Vertical Adjustment Buttpad, please reach out to your local retailer or the manufacturer. Ensure you have the product details available for reference.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the MDT Vertical Adjustment Buttpad!
