MDT CKYEPOD Gen2 Bipod Safety Instruction Guide

Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your bipod. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the bipod before each use to ensure it is in good condition and free of damage.
- Use the bipod only for its intended purpose: stabilizing firearms during shooting.
- Keep the bipod away from children and unauthorized users.
- Do not modify or alter the bipod in any way, as this could compromise safety.
- Store the bipod in a dry place away from extreme temperatures and moisture.
- Be aware of your surroundings when using the bipod, ensuring you have a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the bipod is securely attached to the firearm before use.
- Do not exceed the weight limit specified by the manufacturer.
- Avoid using the bipod on unstable or uneven surfaces.
- Always follow proper firearm safety practices, including keeping the muzzle pointed in a safe direction.
- When adjusting the bipod, do so with care to avoid pinching fingers or causing injury.
- Make sure to lock all adjustments after setting the desired position to prevent accidental movement.

Instructions for Installation and Usage

1. Installation:

- Attach the bipod to the firearm using the RRS ARMS17 interface.
- Ensure the bipod is firmly secured and that all locking mechanisms are engaged.

2. Adjusting the Bipod:

- To adjust the height of the bipod, press the adjustment button and extend or retract the legs to the desired length.
- For pan and cant adjustments, use the lockable pan and cant tension adjustment knob to set your preferred angle.

3. Using the Bipod:

- Position the bipod on a stable surface.
- Place the firearm on the bipod and ensure it is balanced.
- When ready to shoot, verify that your target area is clear and safe.

4. PostUse:

- After use, clean the bipod with a soft cloth to remove dirt or debris.
- Store the bipod in its protective case or a safe location.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bipod in household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to the appropriate contact in your region. Ensure you have the product details ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT CKYEPOD Gen2 Bipod. Thank you for prioritizing safety!
