

Oryx Chassis - Sportsman - Ruger American - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Ruger American SA RH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Ruger American SA RH. This guide provides essential safety instructions to ensure safe and effective use of your chassis. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the chassis is properly installed on your firearm before use.
- Inspect the chassis for any damage or wear before each use.
- Keep the chassis and your firearm out of reach of children and unauthorized users.
- Use the chassis only with compatible firearms as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm use and modifications.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked before shooting.
- Use only AR15 grips and compatible accessories as specified in the product description.
- Avoid using the chassis in adverse weather conditions that could impair visibility or control.
- Do not exceed manufacturer specifications for the weight and type of accessories attached to the chassis.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Remove the factory stock from your Ruger American rifle.
- Align the action of your rifle with the Vshaped bedding in the Oryx chassis.
- Secure the action using the provided screws, ensuring that it is tightly fitted.
- Attach the adjustable buttstock according to the manufacturer's instructions.
- Install AR15 grips and any MLoc accessories as desired.

2. Usage:

- Adjust the buttstock to fit your shoulder comfortably.
- Ensure the forend is free floated and does not touch the barrel when the rifle is in a resting position.
- Take your shooting position and align your sight picture.
- Maintain a firm grip on the chassis and ensure that your finger is off the trigger until ready to shoot.
- After shooting, clean and inspect the chassis and rifle for any signs of wear or damage.

Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman Ruger American SA RH, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Oryx Chassis!
