

Oryx Chassis - Sportsman - Ruger American - SA - RH - Oryx Chassis - Sportsman - Ruger American - SA - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Ruger American SA RH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Ruger American SA RH. This guide provides essential safety instructions to ensure the safe and effective use of your chassis. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the chassis is used only with compatible firearms.
- Always handle the chassis with care and keep it away from children.
- Store the chassis in a secure location when not in use.
- Regularly inspect the chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the chassis.
- Use appropriate personal protective equipment (PPE) when handling the chassis and the firearm.
- Do not exceed the manufacturer's specifications for weight and accessories attached to the chassis.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure you have a clean, flat surface to work on. Gather all necessary tools.
2. **Remove the Firearm from Its Original Stock:**
 - Ensure the firearm is unloaded.
 - Follow the manufacturer's instructions for disassembling the stock.
3. **Install the Oryx Chassis:**
 - Align the firearm action with the bedding area of the chassis.
 - Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
 - Attach the adjustable buttstock according to the instructions included with the chassis.
4. **Attach Accessories:**
 - Install AR15 grips, ARCA rails, or MLoc accessories as desired.
 - Ensure all accessories are securely fastened.

Usage

- Before using the chassis with your firearm, conduct a function check to ensure everything is operating correctly.
- Adjust the buttstock for a comfortable fit, ensuring that you have a proper sight picture when aiming.
- Practice safe shooting habits at all times, including keeping the muzzle pointed in a safe direction.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the chassis becomes damaged beyond repair, consult local guidelines for the disposal of aluminum.

products.

- Do not dispose of the chassis in regular household waste if it is still functional; consider donating or recycling.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman Ruger American SA RH, please refer to the manufacturer's contact resources or visit their official website for support.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Oryx Chassis!
