The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T3 LA RH Safety Instruction Guide

Introduction

Congratulations on your purchase of the Oryx Chassis Sportsman Tikka T3 LA RH. This chassis has been designed to enhance your shooting experience by improving accuracy and ergonomics. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Ensure that the chassis is compatible with your specific rifle model before installation.
- Keep the chassis and all related equipment out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Use only manufacturer-approved accessories and parts to ensure safety and performance.
- Follow all local laws and regulations regarding firearm usage and transportation.

Specific Safety Precautions for Use

- Ensure a clear line of sight and a safe shooting environment prior to taking aim.
- Always wear appropriate eye and ear protection while shooting.
- Do not modify the chassis in any way that may compromise its structural integrity.
- Be aware of your surroundings and ensure that no one is in the line of fire before shooting.
- Do not use the chassis if you are under the influence of drugs or alcohol.
- If you notice any malfunctions or unusual behavior during use, cease operation immediately and consult a professional.

Instructions for Installation and Usage

Installation Instructions

1. **Unpack the Chassis:** Carefully remove the chassis from its packaging and inspect for any damage.
2. **Prepare Your Rifle:** Ensure your Tikka T3 rifle is unloaded and free from any obstructions.
3. **Attach the Chassis:**
 - Remove the factory stock from your rifle.
 - Align the action of the rifle with the Vshaped bedding of the chassis.
 - Secure the rifle in place using the provided screws and tools, ensuring a snug fit.
4. **Install Accessories:** Attach AR15 grips, ARCA rails, and MLoc accessories as desired, following the manufacturer's instructions for each component.

Usage Instructions

- Once installed, adjust the buttstock to fit your shoulder comfortably.
- Familiarize yourself with the controls of your rifle while mounted in the chassis.
- Practice shooting in a controlled environment before participating in matches or hunting.
- Regularly check the tightness of all screws and fittings to ensure stability during use.

Disposal Instructions

- When disposing of the chassis, follow local regulations for the disposal of metal products.
- Do not dispose of the chassis in regular household waste.
- Consider recycling the chassis if possible, as aluminum is a recyclable material.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or contact their customer service team.
