The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Introduction

Thank you for choosing the Oryx Chassis Sportsman Patriot SA RH FDE. This product is designed to enhance your shooting experience with precision rifles. To ensure your safety and the optimal use of this product, please read this safety instruction guide carefully. It contains important information regarding safe usage, installation, and disposal.

General Safety Guidelines

- Always treat your chassis and rifle as if they are loaded.
- Ensure that you are familiar with the operation of your rifle and chassis before use.
- Use the chassis only for its intended purpose, which is to support precision shooting.
- Keep the chassis and rifle out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to your rifle before use.
- Do not modify the chassis in any way that could compromise its structural integrity.
- Use only compatible accessories with the chassis, such as AR15 grips and MLoc accessories.
- Avoid using the chassis in extreme weather conditions that could affect its performance.
- Store the chassis in a dry and secure location when not in use.
- Be mindful of the weight of the chassis and rifle combination to avoid strain or injury.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Ensure that your rifle is unloaded and the safety is engaged.
- Remove the factory stock from your rifle according to the manufacturer's instructions.
- Align the rifle's action with the bedding area of the chassis.
- Secure the action in place using the provided screws and tools.
- Attach the adjustable buttstock according to the manufacturer's guidelines.
- Confirm that the chassis is securely attached before proceeding.

2. Usage Instructions:

- Adjust the buttstock for a comfortable fit to enhance accuracy and speed.
- Attach your preferred AR15 grip and any MLoc accessories as needed.
- Familiarize yourself with the chassis features before taking it to the range.
- Always practice safe handling and shooting techniques while using the chassis.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal waste.
- If the chassis is damaged or no longer usable, consider recycling the aluminum material.
- Do not dispose of the chassis in regular household waste.
