

Oryx Chassis - Sportsman - Patriot - SA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Patriot SA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Patriot SA RH. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the chassis safely and effectively.

General Safety Guidelines

- Always treat the chassis and rifle as if they are loaded.
- Keep the chassis and rifle pointed in a safe direction at all times.
- Ensure that you are using the chassis in a safe environment, free of obstructions and hazards.
- Always wear appropriate eye and ear protection when shooting.
- Keep the chassis and rifle out of reach of children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and shooting equipment.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your rifle model before installation.
- Do not attempt to modify the chassis or its components, as this may compromise safety and performance.
- Use only AR15 grips, ARCA rails, and MLoc accessories that are compatible with the chassis.
- Do not exceed the manufacturer's specifications for weight and accessories attached to the chassis.
- Be cautious of the adjustable buttstock; ensure it is securely locked in place before use.
- Avoid using the chassis in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

1. Installation

- Carefully read the installation manual provided with the chassis.
- Ensure you have all necessary tools and components before beginning the installation.
- Remove the factory stock from your rifle following the manufacturer's instructions.
- Align the rifle with the Vshaped bedding of the chassis.
- Securely attach the rifle to the chassis using the provided screws and tools.
- Install the adjustable buttstock according to the manufacturer's guidelines.
- Attach any desired AR15 grips, ARCA rails, or MLoc accessories.

2. Usage

- Once installed, adjust the buttstock for a comfortable fit.
- Ensure that the chassis is securely fastened to the rifle before taking aim.
- Practice proper shooting techniques and maintain control of the rifle at all times.
- After use, clean the chassis and rifle according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check for recycling programs in your area that accept aluminum products.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Oryx Chassis, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Oryx Chassis Sportsman Patriot SA RH!
