[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Patriot SA RH Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman Patriot SA RH. This guide provides essential safety instructions to ensure the safe use and enjoyment of your new chassis. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the chassis is properly installed and securely attached to your rifle before use.
- Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Use the chassis only for its intended purpose and in accordance with the manufacturer's guidelines.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Avoid using the chassis in wet or extreme environmental conditions unless specified otherwise.
- Do not exceed the manufacturer's recommendations for accessories and modifications.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.
- If you experience any malfunctions while using your rifle with the chassis, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from the rifle according to the manufacturer's instructions.
- Align the Oryx chassis with the rifle's action and secure it using the provided hardware.
- Tighten all screws to the manufacturer's specifications to ensure a secure fit.
- Attach your chosen AR15 grip and any MLoc accessories as desired.

### 2. Usage

- Adjust the buttstock to fit your shoulder comfortably for optimal accuracy and control.
- Familiarize yourself with the chassis features before heading to the range.
- Always perform a function check to ensure that the rifle operates correctly with the new chassis.

## Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If you decide to dispose of the chassis, follow local regulations for the disposal of metal and other materials.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities.

## **Contact Information for Further Support**
