

Oryx Chassis - Sportsman - Remington Model 7 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington Model 7 SA RH Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington Model 7 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the chassis to maximize your safety and performance.

General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded, even if you believe it is not.
- Ensure that the chassis is compatible with your specific model of the rifle before installation.
- Keep the chassis and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Store the chassis in a secure and dry location when not in use to prevent damage and unauthorized access.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate eye and ear protection when using your firearm equipped with the Oryx Chassis.
- Do not exceed the manufacturer's specifications for the rifle and chassis setup, including weight limits and accessory attachments.
- Always check that the rifle is unloaded before attaching or detaching the chassis.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Use caution when adjusting the buttstock to avoid pinching or injury.
- Ensure that AR15 grips and other accessories are securely attached before use.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the rifle is unloaded and pointed in a safe direction.
2. **Remove Factory Stock:** Carefully detach the factory stock from your Remington Model 7 according to the manufacturer's guidelines.
3. **Attach the Chassis:**
 - Align the Oryx Chassis with the action of the rifle.
 - Secure the chassis using the provided screws and tools, ensuring that all connections are tight and secure.
4. **Adjust the Buttstock:** Customize the length of the buttstock for your comfort and shooting style.
5. **Install Accessories:** Attach any AR15 grips, ARCA rails, or MLoc accessories as needed, ensuring they are properly secured.
6. **Final Inspection:** Doublecheck all connections and adjustments before proceeding to use the rifle.

Usage

- When ready to shoot, take a stable shooting position and ensure a proper sight picture.
- Maintain a firm grip on the chassis while aiming and firing.
- After use, clean the chassis and rifle as per the manufacturer's recommendations to maintain performance.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for metal recycling.
- If the chassis is damaged beyond repair, contact local waste management services for proper disposal options.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or performance of the Oryx Chassis, please refer to the manufacturer's customer service resources available on their website or product packaging.

By following these safety instructions, you will ensure a safer and more enjoyable experience with your Oryx Chassis Sportsman. Thank you for prioritizing safety in your shooting activities.
