

# Oryx Chassis - Sportsman - TC Compass - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

## Safety Instruction Guide

### Introduction

Thank you for choosing the Oryx Chassis Sportsman TC Compass SA RH. This product is designed to enhance your shooting experience while ensuring your safety and the safety of those around you. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

### General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Ensure that you are in a safe environment when using the chassis, away from people and animals.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm usage and modifications.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation or usage may lead to accidents or injury.
  - Using incompatible parts may compromise safety and performance.
- **Avoiding Hazards:**
  - Only use AR15 grips and MLoc accessories that are compatible with the chassis.
  - Ensure that the chassis is securely attached to the rifle before use.
  - Do not exceed the weight limits of the chassis when adding accessories.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Ensure that younger users are supervised by a responsible adult when using the chassis.

### Instructions for Installation and Usage

- **Installation:**
  1. Ensure that the firearm is unloaded and pointed in a safe direction.
  2. Remove the factory stock from the rifle following the manufacturer's instructions.
  3. Align the Oryx Chassis with the rifle's action and secure it using the provided screws.
  4. Attach the adjustable buttstock and ensure it is locked in place.
  5. Install AR15 grips and MLoc accessories as desired, ensuring compatibility.
- **Usage:**
  1. Adjust the buttstock to fit your shoulder comfortably.
  2. Take a stable shooting position, ensuring a secure grip on the chassis.
  3. Align your sight picture and ensure a solid connection between you and the rifle.
  4. Always follow standard firearm safety practices while shooting.

### Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Oryx Chassis Sportsman TC Compass SA RH, please refer to the manufacturer's official resources.

By following these safety instructions, you can enjoy the enhanced performance of your Oryx Chassis while ensuring a safe shooting experience. Thank you for prioritizing safety.
