

# Oryx Chassis - Sportsman - TC Compass - SA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman TC Compass Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman TC Compass. This chassis is designed for precision shooting and enhances the performance of your rifle. To ensure your safety and the optimal use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the chassis.
- Use the chassis only for its intended purpose: to improve the shooting experience and performance of your rifle.
- Keep the chassis out of reach of children and vulnerable individuals when not in use.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use to prevent accidental movement during shooting.
- When using AR15 grips or MLoc accessories, make sure they are properly installed to avoid detachment during use.
- Be aware of your surroundings when shooting, and ensure that the area is safe and clear of bystanders.
- Always wear appropriate safety gear, including eye and ear protection, when using the rifle.
- Avoid using the chassis in adverse weather conditions that may affect performance or safety.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure the firearm is unloaded.
- Remove the factory stock from the rifle according to the manufacturer's instructions.
- Align the rifle's action with the Vshaped bedding of the chassis.
- Secure the action in place using the provided screws, ensuring they are tightened to the manufacturer's specifications.

### 2. Adjusting the Buttstock:

- Loosen the adjustment lever on the buttstock.
- Slide the buttstock to the desired length for a comfortable fit.
- Tighten the adjustment lever to secure the buttstock in place.

### 3. Attaching Accessories:

- For AR15 grips, remove the existing grip and replace it with the desired AR15 grip, ensuring it is tightened securely.
- Attach any MLoc accessories by sliding them into the MLoc slots and securing them with the provided hardware.

### 4. Using the Chassis:

- Once the chassis is installed and adjusted, take your shooting position.
- Ensure you have a stable shooting platform and maintain a firm grip on the rifle.
- Align your sight picture and take your shot.

## **Disposal Instructions**

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling the aluminum components where possible.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the Oryx Chassis Sportsman TC Compass, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your Oryx Chassis. Thank you for your attention to safety.
