

Oryx Chassis - Sportsman - Savage Axis - LA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Savage Axis LA RH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Savage Axis LA RH. This guide provides important safety instructions to ensure the safe and effective use of your chassis. Please read this manual carefully before use to familiarize yourself with the product and its safety features.

General Safety Guidelines

- Always ensure that the rifle is unloaded before handling or installing the chassis.
- Use the chassis only for its intended purpose, which is to enhance the performance of your Savage Axis rifle.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Store the chassis in a safe place when not in use to prevent accidents.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use to prevent accidental movement.
- When attaching AR15 grips or MLoc accessories, ensure they are properly installed to avoid detachment during use.
- Be aware of your surroundings and ensure a clear and safe shooting area before using the rifle.
- Always wear appropriate safety gear, including eye protection and hearing protection, when shooting.
- If you experience any malfunctions while using the chassis, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring your Savage Axis rifle is unloaded.
- Remove the factory stock from the rifle by unscrewing the screws that hold it in place.
- Align the Oryx Chassis with the rifle's action and carefully attach it using the provided screws.
- Ensure that the chassis is securely fastened and that there is no movement.
- Attach the adjustable buttstock and ensure it is locked in place.
- Install any AR15 grips or MLoc accessories as desired, following manufacturer instructions for each accessory.

2. Usage:

- Once the chassis is installed, conduct a safety check to confirm that the rifle is functioning properly.
- Adjust the buttstock to fit your shoulder comfortably and securely before taking aim.
- Take time to familiarize yourself with the ergonomics of the chassis to enhance your shooting experience.
- Always follow safe shooting practices, including keeping the muzzle pointed in a safe direction and being aware of your target and what is beyond it.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal recycling and electronic waste.
- If the chassis is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent accidental use by others.

Contact Information for Further Support

For any safety inquiries or support regarding the Oryx Chassis, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman Savage Axis LA RH. Thank you for prioritizing safety in your shooting activities.
