

Oryx Chassis - Sportsman - Howa 1500 - LA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa 1500 LA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 LA RH. This product is designed to enhance your shooting experience while prioritizing safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of your chassis.

General Safety Guidelines

- Always treat your rifle and chassis as if they are loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the area around you is clear of people and obstacles before handling your rifle.
- Store the chassis and rifle in a secure location away from unauthorized users, especially children.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your Howa 1500 rifle model.
- Do not modify the chassis in any way that could compromise its structural integrity.
- Use only AR15 grips and MLoc accessories that are compatible with the chassis.
- Be cautious when adjusting the buttstock; ensure it is securely locked in place before use.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- If you notice any unusual sounds or issues during use, stop immediately and inspect the chassis.

Instructions for Installation and Usage

1. Installation:

- Ensure that your rifle is unloaded and safe to handle.
- Remove the factory stock from your Howa 1500 rifle according to the manufacturer's instructions.
- Align the chassis with the action of your rifle, ensuring proper fit.
- Securely fasten the chassis to the rifle using the provided screws and tools.
- Attach the adjustable buttstock and ensure it is locked in place.

2. Usage:

- Before taking aim, ensure that your sight picture is clear and that the rifle is stable.
- Adjust the buttstock for a comfortable fit, allowing for optimal accuracy and speed.
- When using AR15 grips or MLoc accessories, ensure they are securely attached.
- Maintain a proper shooting stance and grip to enhance control and stability.
- After use, always clean your chassis and rifle to maintain performance and longevity.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the chassis reaches the end of its life or is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
- Ensure that any parts containing hazardous materials are disposed of at designated facilities.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Oryx Chassis Sportsman Howa 1500 LA RH, please refer to the EU contact point provided by the manufacturer. You can also check for recall updates and safety alerts on the EU's Safety Gate platform.

Thank you for prioritizing safety and responsible use of your Oryx Chassis. Enjoy your shooting experience!
