

Oryx Chassis - Sportsman - Howa 1500 - LA - RH - Oryx Chassis - Sportsman - Howa 1500 - LA 3.850 - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa 1500 LA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 LA RH. This guide provides essential safety instructions to ensure the safe use of your chassis and to help you maximize its performance. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and the necessary safety measures before using the Oryx Chassis.
- Always treat your rifle as if it is loaded, even if you believe it is not.
- Store your chassis and rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use and transportation of firearms.

Specific Safety Precautions for Use

- Always wear eye and ear protection when shooting.
- Ensure that the area around you is clear of people and obstacles before firing.
- Use only compatible accessories (e.g., AR15 grips, ARCA rails, MLoc accessories) as specified in the product details.
- Adjust the buttstock carefully to ensure a proper fit before use.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation

- Ensure that the rifle is unloaded before starting the installation.
- Remove the factory stock from your Howa 1500 rifle following the manufacturer's instructions.
- Align the Oryx Chassis with the rifle's action and securely attach it using the provided screws.
- Make sure all connections are tight and that the chassis is properly seated.

2. Usage

- Adjust the buttstock to your preferred length of pull for optimal comfort and accuracy.
- Attach compatible grips and accessories as needed.
- Before shooting, check that the chassis is securely fastened and that all components are functioning correctly.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- When disposing of the Oryx Chassis, follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of the chassis in regular household waste. Instead, take it to a recycling facility that accepts metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the Oryx Chassis Sportsman Howa 1500 LA RH, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details ready for a more efficient response.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis. Thank you for your attention to safety, and happy shooting!
