

# Oryx Chassis - Sportsman - Howa Mini - RH - Oryx Chassis - Sportsman - Howa Mini - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Howa Mini RH Safety Instruction Guide

## Introduction

Thank you for purchasing the Oryx Chassis Sportsman Howa Mini RH. This guide provides important safety information to ensure the safe use and handling of your chassis. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of precision rifles before using the Oryx Chassis.
- Always follow local laws and regulations regarding firearm ownership and use.
- Use the chassis only with compatible firearms to prevent accidents and injuries.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Keep the chassis and any associated firearms out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Never point your firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Wear appropriate eye and ear protection while shooting.
- Ensure that the area around you is clear of people and obstacles before firing.
- Do not modify the chassis or firearm in ways that could compromise safety or performance.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your firearm is unloaded and in a safe condition.
2. **Remove Factory Stock:** Carefully detach the factory stock from your Howa Mini rifle.
3. **Attach Oryx Chassis:**
  - Align the rifle's action with the chassis.
  - Securely fasten the action screws to attach the rifle to the chassis.
4. **Install Accessories:** Attach any desired AR15 grips, ARCA rails, or M Lok accessories as per the manufacturer's instructions.
5. **Adjust Buttstock:** Adjust the buttstock to fit your shoulder for optimal comfort and accuracy.

### Usage

- Familiarize yourself with the adjustments available on the chassis, including the adjustable buttstock for a better fit.
- Practice shooting in a safe environment to become accustomed to the chassis and its features.
- Always check the stability of the chassis before taking aim and firing.

## Disposal Instructions

- When disposing of the Oryx Chassis, ensure that it is done in accordance with local regulations regarding the disposal of aluminum and firearm components.

- If the chassis is damaged beyond use, consider recycling the materials appropriately.

## Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your Oryx Chassis Sportsman Howa Mini RH. Thank you for choosing our product, and happy shooting!
