MDT OnePiece Scope Mount Safety Instruction Guide

Introduction

Thank you for choosing the MDT OnePiece Scope Mount. This guide provides essential safety information and instructions to ensure the safe and effective use of your scope mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the MDT OnePiece Scope Mount is used only for its intended purpose as a scope mounting platform.
- Always inspect the mount for any signs of damage or wear before each use. Do not use a damaged mount.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings while using the scope mount, especially during hunting or shooting activities.
- Report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the mounting surface is clean and free from debris to avoid improper installation.
- Do not exceed the manufacturer's recommended mounting distances:
 - Minimum mounting distance between rings: 3.52 inches
 - Minimum mounting distance outside of the rings: 5.50 inches
- Always use the clamping system as instructed to secure the scope mount properly.
- Avoid overtightening the screws, as this may damage the mount or the scope.
- Be cautious during transportation to prevent impacts that may affect the integrity of the mount.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools, including a torque wrench.
- Locate the mounting surface on your firearm.
- Clean the mounting area to ensure a secure fit.
- Position the MDT OnePiece Scope Mount on the firearm, ensuring it aligns with the scope's mounting rings.
- Use the provided clamping system to secure the mount. Follow the manufacturer's guidelines for torque specifications.
- Doublecheck the alignment and tightness of the mount.

2. Usage:

- After installation, check the scope alignment and make necessary adjustments.
- Test the mount by firing a few rounds to ensure stability and accuracy.
- Regularly inspect the mount for any signs of looseness or damage during use.

Disposal Instructions

- Dispose of the MDT OnePiece Scope Mount responsibly according to local regulations.
- If the mount is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in general waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT OnePiece Scope Mount, please consult the manufacturer's website or contact their support team for assistance.

Thank you for your attention to safety and for choosing the MDT OnePiece Scope Mount. Enjoy your shooting experience!
