

Buttstock Weight - SRS V5 (SRS-X, SRS-Short)

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Weights](#)

Introducing our new Buttstock Weight

The perfect accessory to decrease recoil and balance your rifle. This weight is designed to mount in the lower pocket of MDT ESS, ACC, and SRS V5 buttstocks, allowing for easy installation and a seamless integration into your rifle system.

Adding just 0.65 lb to your rifle, this weight is the perfect way to move your balance point rearward, allowing for a more comfortable and accurate shooting experience. Designed with high-quality materials and hardware, this weight is built to last and withstand even the toughest shooting conditions.

MDT Buttstock Weight SRS V5 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Buttstock Weight SRS V5. This guide provides essential safety information and instructions for the proper use and installation of the product. Please read this manual carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure the product is used only as intended. The MDT Buttstock Weight is designed to be mounted in the lower pocket of MDT ESS, ACC, and SRS V5 buttstocks.
- Always handle the weight with care. Improper handling may lead to injury or damage.
- Inspect the product regularly for signs of wear or damage. Do not use if any part is broken or missing.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the MDT Buttstock Weight with compatible buttstocks (MDT ESS, ACC, and SRS V5).
- Do not exceed the recommended weight limit for your rifle system.
- Ensure that the weight is securely attached before use to prevent it from falling off during operation.
- Avoid using the rifle in extreme conditions that may compromise the integrity of the weight or the buttstock.
- If you experience any discomfort or difficulty while using the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation Steps:

- Remove the buttstock assembly from your MDT buttstock.
- Slide the MDT Buttstock Weight into the lower pocket of the buttstock.
- Use the included screws to securely attach the weight.
- Reinstall the buttstock assembly to complete the installation.

2. Usage Instructions:

- After installation, ensure the buttstock is properly adjusted for your shooting position.
- Test the balance of your rifle before engaging in shooting activities.
- Regularly check the attachment of the weight during use, especially after extended shooting sessions.

Disposal Instructions

- Dispose of the MDT Buttstock Weight in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT Buttstock Weight SRS V5, please refer to the manufacturer's contact information available on the product packaging or official website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the MDT Buttstock Weight SRS V5!
