[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

AR-15 End Plate with QD Sling Swivel made of steel is the perfect accessory for all gun enthusiasts. This sling swivel from German Tactical Systems attachment is designed to ensure a smooth connection between your gun and the sling, making it the ideal accessory for hunting, tactical missions or shooting at the range.

Thanks to its ambidextrous design, this sling swivel attachment can be used by both left- and right-handed shooters. The Quick Detach (QD) feature makes it easy to attach and detach the sling, so you can easily switch between different shooting positions or quickly remove the sling when not in use.

Overall, the AR-15 End Plate with QD Sling Swivel is an essential accessory for any gun owner who wants quick and easy access to their firearm while keeping their hands free. Its rugged construction and reliable performance make it the perfect choice for hunters, military personnel, law enforcement officers, and anyone who demands the best from their equipment.
