

# Gen 2 Perfect Fit Reloading Tray - Perfect Fit Reloading Tray - #3 (9mm Luger)

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are specifically designed to provide a precise fit for individual calibers or a family of calibers. These trays are an essential tool for reloaders, allowing them to maximize efficiency and stay organized. With 9 tray sizes available, they cater to many popular rifle and pistol cartridges.

Sold in a convenient 2-pack, each tray securely holds 50 cases, ensuring a snug fit that prevents wobbling and powder spillage. This precise case fit guarantees a stable platform for reloading, reducing the risk of errors and maintaining a clean workspace.

AVAILABLE

The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

# Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray #3 (9mm Luger)

## Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray #3 (9mm Luger) by Frankford Arsenal. This guide provides essential safety instructions and guidelines for the safe use of this product. Please read all instructions carefully to ensure safe operation and optimal performance.

## General Safety Guidelines

- Always handle reloading trays with care to avoid injury.
- Ensure that the reloading area is clean and free from distractions.
- Keep the reloading tray out of reach of children and pets.
- Regularly inspect the reloading tray for any signs of damage or wear.
- Use the reloading tray only for its intended purpose, as specified by the manufacturer.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Ensure that the tray is placed on a stable surface before use to prevent spills.
- Do not overload the tray beyond its capacity of 50 cases to avoid tipping.
- Avoid using the tray in wet or damp conditions to maintain its integrity.
- Use proper eye protection when handling ammunition components.
- Store the reloading tray in a cool, dry place when not in use.
- Keep all reloading materials, including powders and primers, away from the tray during use.

## Instructions for Installation and Usage

### 1. Unpack the Tray:

- Carefully remove the reloading tray from its packaging.
- Inspect the tray for any visible damage or defects.

### 2. Setting Up the Tray:

- Place the tray on a flat, stable surface in your reloading area.
- Ensure that the area is welllit and organized.

### 3. Loading Cases:

- Begin loading your 9mm Luger cases into the tray, ensuring each case fits snugly in its designated slot.
- Do not force cases into slots; if they do not fit, check for damage or debris.
- Aim to maintain organization by loading cases in batches.

### 4. Using the Tray:

- Use the numbered system on the tray to keep track of your specific caliber.
- Keep the tray steady while working to prevent cases from wobbling or spilling.

### 5. Cleaning and Maintenance:

- After use, clean the tray with a dry cloth to remove any dust or debris.

- Store the tray in a safe location to prevent damage.

## Disposal Instructions

- Dispose of the reloading tray in accordance with local regulations.
- If the tray is damaged beyond use, consider recycling it if possible.
- Ensure that any materials used in conjunction with the tray are disposed of safely and responsibly.

## Contact Information for Further Support

For any safety inquiries or support regarding the Gen 2 Perfect Fit Reloading Tray, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Proper use and maintenance of your reloading tray will help ensure a safe and efficient reloading experience.
