The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

# Gen 2 Perfect Fit Reloading Tray Safety Instructions

## Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray. This product is designed to enhance your reloading experience by providing a precise fit for various calibers. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the reloading tray in a wellventilated area to minimize exposure to dust and particles.
- Ensure that the tray is placed on a stable surface to prevent accidental tipping or spillage.
- Keep the reloading tray out of reach of children and pets to avoid any potential hazards.
- Regularly inspect the tray for any signs of wear or damage. Do not use if damaged.
- Store the reloading tray in a dry place to prevent deterioration of materials.

## Specific Safety Precautions for Use

- Use only with compatible calibers as indicated on the tray. Using incorrect calibers may lead to accidents.
- Do not overload the tray beyond its capacity of 50 cases to avoid spillage and maintain stability.
- Avoid using the tray in areas with high humidity or extreme temperatures, as this may affect the integrity of the product.
- Do not leave the tray unattended while it is in use to ensure immediate response in case of an accident.
- If you notice any wobbling or instability, stop using the tray immediately and assess the situation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and organized.
- Gather all necessary reloading components before starting.

### 2. Setting Up the Tray:

- Place the tray on a flat and stable surface.
- Confirm that the tray is free from any debris or obstructions.

### 3. Loading Cases:

- Carefully place up to 50 cases into the tray, ensuring they fit snugly without excessive force.
- Check that the cases are securely seated to prevent wobbling.

### 4. Using the Tray:

- Follow your reloading process as per the manufacturer's instructions for your specific components.
- Monitor the tray during use to ensure cases remain stable and organized.

### 5. After Use:

- Remove all cases from the tray.
- Clean the tray with a dry cloth to remove any dust or debris.
- Store the tray in a safe location, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of the reloading tray in accordance with local regulations.
- If the tray is damaged beyond use, consider recycling the materials if possible.
- Do not dispose of the tray in regular household waste if it contains any hazardous materials.

## Contact Information for Further Support

For any safety inquiries or product concerns, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and efficient reloading experience with the Gen 2 Perfect Fit Reloading Tray. Always prioritize safety and organization in your reloading activities. Thank you for your attention to these important safety measures.
