

Gen 2 Perfect Fit Reloading Tray - Perfect Fit Reloading Tray - #5 (.308 Win. 6.5 CM)

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are specifically designed to provide a precise fit for individual calibers or a family of calibers. These trays are an essential tool for reloaders, allowing them to maximize efficiency and stay organized. With 9 tray sizes available, they cater to many popular rifle and pistol cartridges.

Sold in a convenient 2-pack, each tray securely holds 50 cases, ensuring a snug fit that prevents wobbling and powder spillage. This precise case fit guarantees a stable platform for reloading, reducing the risk of errors and maintaining a clean workspace.

The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray

Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the reloading tray to maximize safety and efficiency.

General Safety Guidelines

- Ensure that the reloading tray is used only for its intended purpose: holding reloading cases.
- Keep the reloading tray out of reach of children and vulnerable individuals.
- Regularly inspect the tray for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding reloading ammunition.
- Store the reloading tray in a cool, dry place when not in use.
- Use appropriate safety equipment, such as safety glasses, when reloading.

Specific Safety Precautions for Use

- Always ensure that the tray is placed on a stable, flat surface to prevent tipping or spilling.
- Do not overload the tray beyond its capacity of 50 cases. Overloading can lead to instability and accidents.
- Avoid using the tray in a cluttered workspace to minimize the risk of accidental spills or injuries.
- Handle all reloading components with care to avoid contamination or accidents.
- Keep the reloading area wellventilated to prevent the accumulation of fumes from reloading materials.

Instructions for Installation and Usage

1. **Preparation:** Before using the reloading tray, ensure that you have all necessary reloading components and tools ready.
2. **Placement:** Position the reloading tray on a flat, stable surface, ensuring it is free from clutter.
3. **Loading Cases:**
 - Carefully place up to 50 cases into the designated slots of the tray.
 - Ensure that each case fits snugly to prevent wobbling.
4. **Reloading Process:** Follow your specific reloading procedures while using the tray to hold your cases.
5. **PostUse Care:** After reloading, remove the cases from the tray and clean the tray if necessary. Store it in a safe location.

Disposal Instructions

- Dispose of the reloading tray in accordance with local regulations regarding plastic and other materials.
- If the tray is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the tray in regular household waste if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Gen 2 Perfect Fit Reloading Tray, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and efficient reloading experience. Thank you for your commitment to safety.
