

# Gen 2 Perfect Fit Reloading Tray - Perfect Fit Reloading Tray - #5S (.45 ACP)

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are specifically designed to provide a precise fit for individual calibers or a family of calibers. These trays are an essential tool for reloaders, allowing them to maximize efficiency and stay organized. With 9 tray sizes available, they cater to many popular rifle and pistol cartridges.

Sold in a convenient 2-pack, each tray securely holds 50 cases, ensuring a snug fit that prevents wobbling and powder spillage. This precise case fit guarantees a stable platform for reloading, reducing the risk of errors and maintaining a clean workspace.

The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

# Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray #5S (.45 ACP)

## Introduction

Thank you for choosing the Frankford Arsenal Gen 2 Perfect Fit Reloading Tray #5S (.45 ACP). This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the reloading tray.

## General Safety Guidelines

- Ensure that the reloading tray is used only for its intended purpose, which is to hold reloading cases securely.
- Always handle reloading components with care to avoid accidents.
- Keep the reloading tray out of reach of children and vulnerable individuals.
- Regularly inspect the tray for any signs of damage or wear. Do not use if damaged.
- Follow all relevant local laws and regulations regarding reloading practices and ammunition storage.

## Specific Safety Precautions for Use

- Always wear safety glasses when reloading to protect your eyes from potential debris.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not overload the tray; each tray is designed to hold a maximum of 50 cases to ensure stability.
- Avoid using the tray in wet or damp conditions to prevent slippage and maintain grip.
- Be cautious of static electricity when handling powder or primers, as they can be flammable.

## Instructions for Installation and Usage

### 1. Unpack the Tray:

- Remove the reloading tray from its packaging and check for any visible damage.

### 2. Identify the Caliber:

- Each tray is numbered for easy identification. Ensure you are using the correct tray for your caliber.

### 3. Loading Cases:

- Place the tray on a stable, flat surface.
- Insert the cases into the designated slots, ensuring they fit snugly without excessive force.
- Do not exceed the maximum capacity of 50 cases per tray.

### 4. Reloading Process:

- Follow your specific reloading procedures while using the tray to hold cases.
- Maintain a clean workspace and organize your tools and components to avoid confusion.

### 5. PostUse Care:

- After completing your reloading tasks, clean the tray if necessary to remove any debris or residue.
- Store the tray in a cool, dry place when not in use to prolong its lifespan.

## **Disposal Instructions**

- Dispose of the reloading tray responsibly in accordance with local regulations.
- If the tray is damaged or no longer usable, consider recycling it where facilities exist.
- Do not dispose of the tray in household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Gen 2 Perfect Fit Reloading Tray, please refer to the manufacturer's contact details provided on the packaging or product website.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Frankford Arsenal Gen 2 Perfect Fit Reloading Tray. Thank you for your attention to these important guidelines.
