The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

# Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray

## Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray from Frankford Arsenal. This guide provides essential safety instructions to ensure the safe and effective use of your reloading tray. Please read this guide carefully before using the product to maximize safety and efficiency during your reloading activities.

## General Safety Guidelines

- Ensure that the reloading tray is used only for its intended purpose, which is to hold and organize cases during the reloading process.
- Always handle reloading components with care, following standard safety practices.
- Keep the reloading tray out of reach of children and vulnerable individuals to prevent accidental injuries.
- Regularly inspect the reloading tray for any signs of damage or wear. Do not use a damaged tray.
- Store the reloading tray in a dry and safe environment to prevent deterioration.

## Specific Safety Precautions for Use

- Always use appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Ensure that the tray is securely placed on a stable surface to prevent tipping or accidental spills.
- Do not overload the tray beyond its capacity of 50 cases to maintain stability and prevent accidents.
- Avoid using the tray with incompatible calibers or cartridges that do not fit properly, as this can lead to misloading or accidents.
- If you notice any wobbling or instability while using the tray, stop using it immediately and check for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and organized before beginning the reloading process.
- Gather all necessary reloading components and tools.

### 2. Using the Tray:

- Place the reloading tray on a flat, stable surface.
- Identify the appropriate tray size for your caliber. The Gen 2 Perfect Fit Reloading Tray offers 9 sizes to accommodate various calibers.
- Insert cases into the tray, ensuring they fit snugly. Each tray holds 50 cases securely.
- Use the numbered system on the tray to easily identify the caliber you are working with.

### 3. During Reloading:

- Monitor the trays regularly to ensure cases remain secure and organized.
- If you are working with multiple batches of brass, use separate trays to prevent mixing.

### 4. After Reloading:

- Carefully remove the cases from the tray and store them appropriately.
- Clean the tray regularly to maintain its condition and functionality.

## Disposal Instructions

- Dispose of the reloading tray responsibly when it is no longer usable.
- Follow local regulations for disposal of plastic materials.
- If the tray is damaged, ensure that it is disposed of in a way that prevents harm to the environment.

## Contact Information for Further Support

For any questions or concerns regarding the Gen 2 Perfect Fit Reloading Tray, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you encounter any issues or require further clarification on safety practices.

## Conclusion

By following these safety instructions, you can ensure a safe and efficient reloading experience with the Gen 2 Perfect Fit Reloading Tray. Always prioritize safety and organization during your reloading activities to achieve the best results. Thank you for choosing Frankford Arsenal products for your reloading needs.
