

## Gen 2 Perfect Fit Reloading Tray - Perfect Fit Reloading Tray - #8 (.338 Lapua. .45-70 Gov.)

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

Frankford Arsenal's Perfect Fit Gen 2 Reloading Trays are specifically designed to provide a precise fit for individual calibers or a family of calibers. These trays are an essential tool for reloaders, allowing them to maximize efficiency and stay organized. With 9 tray sizes available, they cater to many popular rifle and pistol cartridges.

Sold in a convenient 2-pack, each tray securely holds 50 cases, ensuring a snug fit that prevents wobbling and powder spillage. This precise case fit guarantees a stable platform for reloading, reducing the risk of errors and maintaining a clean workspace.

The trays are numbered, making it easy to identify the specific caliber. This numbering system enhances organization and streamlines the reloading process, saving valuable time and effort.

By purchasing the 2-pack, you can keep batches of brass separated during reloading. This separation minimizes the chance of mixing different batches, ensuring consistency and reliability in your ammunition.

With 9 tray options available, the Perfect Fit Gen 2 Reloading Trays accommodate a wide range of popular calibers. Whether you're reloading rifle cartridges or pistol rounds, these trays provide a perfect fit for your specific needs.

# Safety Instruction Guide for Gen 2 Perfect Fit Reloading Tray

## Introduction

Thank you for choosing the Gen 2 Perfect Fit Reloading Tray. This product is designed to enhance your reloading experience by providing a precise fit for various calibers. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. Your safety is our priority.

## General Safety Guidelines

- Always use the reloading tray in a wellventilated area to avoid inhalation of any dust or particles.
- Keep the reloading tray away from children and pets to prevent accidents.
- Inspect the tray for any damage before use. Do not use if damaged.
- Store the reloading tray in a safe, dry place when not in use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Ensure that the tray is compatible with the caliber you are using to avoid misalignment and potential hazards.
- Do not overload the tray beyond its capacity (50 cases) to maintain stability and prevent spillage.
- Handle all reloading components with care, following the manufacturer's instructions.
- Use protective eyewear and gloves when reloading to protect against debris and powder.
- Keep your workspace clean and organized to reduce the risk of accidents.

## Instructions for Installation and Usage

### 1. Selecting the Tray:

- Choose the correct tray size that corresponds to the caliber you are reloading.
- Verify the tray number to ensure the right fit.

### 2. Preparing the Workspace:

- Clear your workspace of any unnecessary items.
- Ensure adequate lighting and ventilation.

### 3. Using the Tray:

- Place the tray on a flat, stable surface.
- Load the cases into the tray, ensuring they fit snugly without forcing them.
- Check that the cases are secure and not wobbling.

### 4. PostReloading:

- After reloading, carefully remove the cases from the tray.
- Store the reloaded ammunition in a safe and appropriate container.

## Disposal Instructions

- Dispose of any damaged or unusable trays in accordance with local waste disposal regulations.
- Recycle materials whenever possible to minimize environmental impact.

- Do not dispose of any reloading components in regular trash, as they may be hazardous.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Gen 2 Perfect Fit Reloading Tray, please refer to the manufacturer's contact details provided on the packaging or visit the official website.

By following these safety instructions, you can ensure a safe and efficient reloading experience. Thank you for your attention to these guidelines, and happy reloading!
