

Target Stand - Ultimate Steel Target Stand

[Shooting Accessories](#) > [Targets & Accessories](#) > [Target Stands](#)

The Ultimate Steel Target Stand offers versatility and convenience for setting up both steel and paper targets on almost any range. Its H-stand design eliminates the need for driving posts or stakes into the ground, providing flexibility in target setup.

Featuring an angled center 2x4 pocket, this target stand can securely hold Caldwell AR500 steel targets, including full-size IPSC targets, without the risk of falling over. For easy hanging of steel targets, you can combine the Ultimate Steel Target Stand with the Caldwell 2x4 Plate Hanger (sold separately), ensuring a stable and reliable setup.

The 1x2 stake pockets on the Ultimate Steel Target Stand are designed specifically for setting up paper or cardboard targets at any desired distance. Simply insert the stakes into the pockets, and you're ready to attach your paper targets for precise shooting practice.

The Ultimate Steel Target Stand includes 2 ground stakes, providing additional stability and preventing the stand from tipping or shifting during use.

Its dual-purpose design allows for holding either a 1/2" or 2x4, making it suitable for both steel and paper target setups. Whether you prefer shooting at steel targets or working on your accuracy with paper targets, this stand has you covered.

Safety Instruction Guide for the Ultimate Steel Target Stand

Introduction

Thank you for choosing the Ultimate Steel Target Stand. This product is designed to provide a safe and effective way to set up steel and paper targets for shooting practice. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the target stand is set up on stable, level ground to prevent tipping.
- Inspect the target stand and all components before each use for any signs of damage or wear.
- Use the target stand only for its intended purpose, which is to hold steel and paper targets.
- Keep the area around the target stand clear of obstructions and bystanders during use.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Ensure that children and vulnerable individuals are supervised and kept at a safe distance from the shooting area.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only Caldwell AR500 steel targets with the Ultimate Steel Target Stand to ensure compatibility and safety.
- Do not exceed the recommended weight limit for the targets to avoid instability.
- When setting up paper targets, ensure that the stakes are securely inserted into the 1x2 stake pockets.
- Avoid shooting at targets that are damaged or have been previously shot at in a way that may compromise their integrity.
- Always check the shooting range rules and regulations to ensure compliance with local laws.
- Do not attempt to modify or alter the target stand in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Setup Location

- Choose a safe, open area for setting up the target stand.
- Ensure that the area is free from people, animals, and obstructions.

2. Assemble the Target Stand

- Unpack all components of the Ultimate Steel Target Stand.
- Identify the Hstand design and ensure all parts are present.

3. Install the Target

- For steel targets:
 - Use the angled center 2x4 pocket to securely hold the Caldwell AR500 steel targets.
 - Ensure the target is stable and will not fall over during use.
- For paper targets:
 - Insert the stakes into the 1x2 stake pockets at your desired distance.
 - Attach the paper targets securely to the stakes.

4. Secure the Stand

- Use the provided ground stakes to anchor the target stand for additional stability.
- Ensure the stand is level and does not wobble.

5. Conduct a Safety Check

- Before shooting, doublecheck that the target stand is secure and stable.
- Ensure that the shooting area is clear of bystanders.

6. Shooting Practice

- Follow all safety guidelines while shooting.
- After use, remove all targets and disassemble the stand if necessary.

Disposal Instructions

- Dispose of the Ultimate Steel Target Stand and its components in accordance with local waste disposal regulations.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For inquiries regarding safety concerns or product support, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the Ultimate Steel Target Stand. Enjoy your shooting practice!
