Speedtracker Mach IV Safety Instruction Guide

Introduction

Thank you for choosing the Speedtracker Mach IV Woodland Combo. This product is designed to enhance your measurement capabilities with style and functionality. To ensure safe use and to maximize the performance of your Speedtracker Mach IV, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the device for any visible damage before use.
- Keep the product away from moisture and extreme temperatures.
- Store the device in a safe place, out of reach of children and pets.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Electrical Safety:** Ensure that the Bluetooth functionality is used in a safe manner. Avoid exposure to water and do not attempt to repair electrical components yourself.
- **Measurement Accuracy:** Always confirm the accuracy of measurements by crossreferencing with other reliable measuring tools.
- **Mounting Safety:** When mounting the device to a weaver rail system, ensure that it is securely attached to avoid it falling during use.
- **User Awareness:** Be aware of your surroundings when using the Speedtracker Mach IV, especially in busy or crowded areas.

Instructions for Installation and Usage

1. Installation:

- Identify a suitable location on the weaver rail system for mounting the Speedtracker Mach IV.
- Securely attach the device using the provided mounting hardware.
- Ensure that the device is level and stable before use.

2. Usage:

- Turn on the Speedtracker Mach IV by pressing the power button.
- Connect the device to your mobile phone via Bluetooth for data transfer.
- Select the measurement mode suitable for your needs.
- Use the parabolic adapter to measure distances accurately up to 3 meters.
- After use, power off the device to conserve battery life.

Disposal Instructions

- Dispose of the Speedtracker Mach IV in accordance with local regulations.
- Do not dispose of electrical components in regular household waste.
- Consider recycling options for the device and its packaging.

Contact Information for Further Support

For any inquiries regarding the Speedtracker Mach IV, please refer to the product manual or visit the manufacturer's website for support.
