# SPEEDTRACKER MACH IV Safety Instruction Guide

## Introduction

Thank you for choosing the SPEEDTRACKER MACH IV. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document thoroughly before using the SPEEDTRACKER MACH IV.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle the device with care to prevent damage.
- Keep the device out of reach of children and vulnerable individuals.
- Avoid using the device in wet or damp conditions to prevent electrical hazards.
- Regularly inspect the device for any signs of wear or damage before use.
- If you notice any abnormalities or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Measuring Capability:** The SPEEDTRACKER MACH IV has a 3meter measuring capability. Ensure that you are positioned correctly to obtain accurate measurements.
- **Bluetooth Connectivity:** When using Bluetooth features, ensure that your mobile device is compatible and within range to avoid connectivity issues.
- **Mounting:** The compact size allows for easy mounting to a weaver rail system. Ensure that the device is securely mounted before use to prevent accidents.
- **Accuracy:** The device has an accuracy of 0.1%. Always doublecheck measurements for critical applications.
- **Continuous Use:** The device can operate for up to 4 hours continuously. Avoid exceeding this time to prevent overheating and potential malfunction.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the SPEEDTRACKER MACH IV from its packaging. Ensure all components are present.
2. **Mounting:**
  - Locate a suitable position on the weaver rail system for mounting.
  - Securely attach the device using the provided mounting hardware.
3. **Powering On:**
  - Ensure the device is charged or has fresh batteries installed.
  - Press the power button to turn on the device.
4. **Connecting to Mobile Device:**
  - Enable Bluetooth on your mobile device.
  - Follow the instructions in the product manual to pair your mobile device with the SPEEDTRACKER MACH IV.
5. **Measuring:**
  - Position yourself within the measuring range.
  - Activate the measuring function via the mobile app or directly on the device.
6. **Data Transfer:**
  - Use the mobile app to view and transfer data as needed.
  - Ensure that the Bluetooth connection remains stable during data transfer.

## **Disposal Instructions**

- Dispose of the SPEEDTRACKER MACH IV in accordance with local regulations regarding electronic waste.
- Do not dispose of the device in regular household waste.
- Remove batteries before disposal and recycle them according to local guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the SPEEDTRACKER MACH IV, please refer to the contact information provided in the product manual or visit the manufacturer's website for support resources.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SPEEDTRACKER MACH IV. Always prioritize safety and refer to this guide whenever necessary. Thank you for choosing SEKRTEK.
