

Anti-Cant Scope Level 1"

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Anti-Cant Scope Level 1" features a clever offset to the left upper side, making it incredibly convenient to use. Unlike traditional levels that may obstruct your view, this innovative design allows you to easily observe the level without any interference, providing you with an unobstructed sight picture.

Attaching the Anti-Cant Scope Level 1" is as simple as mounting a scope ring. It securely fastens to your riflescope and can be positioned to your desired location, allowing for optimal visibility. With this feature, you no longer have to struggle to find the level or divert your attention from the target. You can keep your focus where it matters most while ensuring that your shots are perfectly aligned.

AntiCant Scope Level 1" Safety Instruction Guide

Introduction

Thank you for choosing the AntiCant Scope Level 1". This innovative device is designed to enhance your shooting experience by providing an unobstructed view of your level, ensuring your shots are perfectly aligned. To ensure safe and effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Always handle the AntiCant Scope Level 1" with care to avoid damage.
- Ensure that the product is used only for its intended purpose.
- Regularly inspect the AntiCant Scope Level 1" for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any malfunction or damage, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the AntiCant Scope Level 1" in any way.
- Ensure that the scope level is properly attached to your riflescope before use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Always maintain a safe distance from others while using the product to prevent accidents.
- Be aware of your surroundings and ensure that your shooting area is clear of obstacles and people.

Instructions for Installation and Usage

Installation

1. **Select the Scope Ring:** Choose a suitable scope ring on your riflescope where you want to attach the AntiCant Scope Level 1".
2. **Attach the AntiCant Scope Level:**
 - Align the AntiCant Scope Level 1" with the chosen scope ring.
 - Securely fasten the level to the scope ring, ensuring it is stable and does not move.
3. **Positioning:**
 - Adjust the AntiCant Scope Level 1" to your desired location for optimal visibility.
 - Ensure that it does not obstruct your view of the target.

Usage

1. **Check Alignment:** Before taking a shot, verify that the AntiCant Scope Level 1" is level.
2. **Maintain Focus:** Keep your attention on the target while using the level to ensure alignment.
3. **Regular Checks:** Periodically check the level during use to ensure it remains properly aligned.

Disposal Instructions

- Dispose of the AntiCant Scope Level 1" in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries, product support, or concerns, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AntiCant Scope Level 1". Always prioritize safety and be aware of your surroundings while using this product. Thank you for your attention to these guidelines.
