

## Anti-Cant Scope Level 30mm

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Anti-Cant Scope Level 30mm features a clever offset to the left upper side, making it incredibly convenient to use. Unlike traditional levels that may obstruct your view, this innovative design allows you to easily observe the level without any interference, providing you with an unobstructed sight picture.

Attaching the Anti-Cant Scope Level 1" is as simple as mounting a scope ring. It securely fastens to your riflescope and can be positioned to your desired location, allowing for optimal visibility. With this feature, you no longer have to struggle to find the level or divert your attention from the target. You can keep your focus where it matters most while ensuring that your shots are perfectly aligned.

# AntiCant Scope Level 30mm Safety Instruction Guide

## Introduction

Thank you for choosing the AntiCant Scope Level 30mm. This product is designed to enhance your shooting experience by providing a reliable way to ensure your scope is level, allowing for improved accuracy and focus on your target. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the AntiCant Scope Level is used only for its intended purpose.
- Regularly inspect the scope level for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for use and installation.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to inaccurate readings, affecting shooting performance.
- Use in wet or slippery conditions may increase the risk of accidents.

- **Instructions for Avoiding Hazards:**

- Ensure the scope level is securely attached before use.
- Avoid using the product in conditions where it may become loose or dislodged.
- Do not attempt to modify the product in any way.

- **AudienceSpecific Warnings:**

- This product is not intended for children. Ensure that it is used by individuals who are knowledgeable about firearms and shooting safety.

## Instructions for Installation and Usage

- **Installation:**

1. Select a suitable location on your riflescope for the AntiCant Scope Level.
2. Using a scope ring, securely mount the AntiCant Scope Level to the chosen location.
3. Ensure that the level is positioned at an angle that allows for easy visibility without obstructing your view of the target.

- **Usage:**

1. Before taking a shot, check the AntiCant Scope Level to confirm that the scope is level.
2. Adjust your shooting position as necessary to maintain a level sight picture.
3. Focus on your target while keeping an eye on the level to ensure accurate alignment.

## **Disposal Instructions**

- Dispose of the AntiCant Scope Level according to local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details available for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the AntiCant Scope Level 30mm!
