

Anti-Cant Scope Level 34mm

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Anti-Cant Scope Level 34mm features a clever offset to the left upper side, making it incredibly convenient to use. Unlike traditional levels that may obstruct your view, this innovative design allows you to easily observe the level without any interference, providing you with an unobstructed sight picture.

Attaching the Anti-Cant Scope Level 1" is as simple as mounting a scope ring. It securely fastens to your riflescope and can be positioned to your desired location, allowing for optimal visibility. With this feature, you no longer have to struggle to find the level or divert your attention from the target. You can keep your focus where it matters most while ensuring that your shots are perfectly aligned.

AntiCant Scope Level 34mm Safety Instruction Guide

Introduction

Thank you for choosing the AntiCant Scope Level 34mm. This product is designed to enhance your shooting experience by providing an unobstructed view of your scope's level. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the AntiCant Scope Level 34mm by following all instructions.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is designed for use by individuals aged 18 and older.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always ensure that your rifle is unloaded before attaching or adjusting the AntiCant Scope Level.
- Do not use the scope level while the rifle is loaded or in a potentially dangerous situation.
- Avoid exposing the AntiCant Scope Level to extreme temperatures or harsh conditions.
- Regularly inspect the level for any signs of damage or wear before each use.
- If you notice any abnormalities, discontinue use immediately and contact the retailer.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools, such as a screwdriver, to attach the scope level.
2. **Unload Your Rifle:** Always make sure your rifle is unloaded before proceeding.
3. **Locate the Scope Ring:** Identify the appropriate scope ring where you will attach the AntiCant Scope Level.
4. **Attach the Level:**
 - Position the AntiCant Scope Level on the left upper side of the scope ring.
 - Securely fasten the level using the provided screws.
5. **Adjust Position:**
 - Adjust the position of the AntiCant Scope Level to your desired location for optimal visibility.
 - Ensure it does not obstruct your sight picture.

Usage

- Once installed, look through your riflescope to check the alignment of the AntiCant Scope Level.
- Maintain focus on your target while observing the level to ensure your shots are aligned.
- Regularly check the level during use to confirm it is functioning correctly.

Disposal Instructions

- Dispose of the AntiCant Scope Level in accordance with local regulations.
- Do not dispose of it in regular household waste.
- Check for recycling options or designated disposal sites for aluminum products.

Contact Information for Further Support

For any questions or concerns regarding the AntiCant Scope Level 34mm, please refer to the contact information provided by your retailer or manufacturer.
