Safety Instructions for the MDT Control Bridge ACC Elite

Introduction

Thank you for choosing the MDT Control Bridge ACC Elite. This accessory is designed to enhance your shooting experience by providing a mirage mitigation device and barrel cover. To ensure your safety and the proper functioning of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Always ensure that the product is installed correctly before use.
- Inspect the Control Bridge regularly for any signs of wear or damage.
- Use the Control Bridge only for its intended purpose as specified in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to product failure.
 - Using the Control Bridge with incompatible equipment may result in accidents.
 - Exposure to extreme temperatures may affect the material integrity.
- **Avoiding Hazards:**
 - Follow installation instructions precisely to prevent accidents.
 - Do not exceed the recommended weight limits when using the Control Bridge.
 - Ensure that the Control Bridge is securely fastened before use.
- **Age Specific Warnings:**
 - This product is not intended for use by children under 18 years of age.
 - Ensure that all users are trained in the safe handling of shooting accessories.

Instructions for Installation and Usage

1. Installation Instructions:

- Gather all necessary tools for installation, including a wrench and screws.
- Align the Control Bridge with the designated mounting points on the ACC Elite chassis.
- Secure the Control Bridge using the provided screws, ensuring it is tightly fastened.
- Doublecheck the stability of the installation before use.

2. Usage Instructions:

- When using the Control Bridge, always maintain a proper shooting stance.
- Use the mirage mitigation feature by adjusting the position of the Control Bridge as needed.
- When reaching over the forend, ensure that the barrel cover is in place to enhance recoil control.

Disposal Instructions

- Dispose of the MDT Control Bridge in accordance with local regulations.
- Ensure that any packaging or materials used in the product are recycled or disposed of responsibly.
- Do not dispose of the Control Bridge in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the appropriate local regulatory authority or the manufacturer directly. Ensure you have the product details ready for a quicker response.

Thank you for your attention to these safety instructions. Enjoy your experience with the MDT Control Bridge ACC Elite while prioritizing safety and compliance with all guidelines.
