SG Timer Go Safety Instructions

Introduction

Thank you for choosing the SG Timer Go. This shot timer is designed to enhance your training experience while ensuring your safety. Please read the following safety instructions carefully to ensure proper use and care of your device.

General Safety Guidelines

- Ensure that the SG Timer Go is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children to prevent accidental use or injury.
- Regularly inspect the device for any signs of damage or wear. If any damage is found, discontinue use immediately.
- If you experience any issues while using the SG Timer Go, stop using the device and seek assistance.

Specific Safety Precautions for Use

- Do not expose the SG Timer Go to extreme temperatures, moisture, or direct sunlight, as these conditions may damage the device.
- Avoid using the timer in environments where firearms are prohibited or where safety cannot be guaranteed.
- Ensure that the device is securely attached to your belt or clothing before use to prevent accidental dropping.
- Be aware of your surroundings when using the timer to ensure the safety of yourself and others.
- Always follow local laws and regulations regarding firearms and training equipment.

Instructions for Installation and Usage

1. Installation:

- Attach the SG Timer Go to your belt using the quick release attachment provided in the box.
- Ensure that the timer is securely fastened and not obstructing your movement.

2. Usage:

- Before starting your training session, ensure that the timer is charged and functioning properly.
- Use the companion mobile app to update the timer's firmware as needed.
- To start the timer, follow the instructions provided in the mobile app.
- During training, the timer will capture data for Dry Fire, Suppressed fire, Airsoft, and any Firearm caliber.
- After your session, review the training data in the app to monitor your progress.

Disposal Instructions

- Dispose of the SG Timer Go in accordance with local regulations regarding electronic waste.
- Do not dispose of the device in household waste.
- If the timer is no longer functional, consider recycling it at an appropriate electronic waste facility.

Contact Information for Further Support

For any questions or concerns regarding the SG Timer Go, please refer to the manufacturer's website or contact their customer support for assistance.

Remember to stay safe and enjoy your training with the SG Timer Go!
