

AR-15 Flip-Up Sight Set - Scout AR-15 Flip-Up Sight Set FDE

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

The Scout AR-15 Flip-Up Sight Set features a standard height design, that allows you to get close the bore and expose less of your silhouette.

The set is designed to provide backup sighting in the event that a primary optic fails. The streamlined contours of the set ensure that there is nothing to snag on.

The set is lightweight and durable, and the flip-up design is enhanced with precision machined metal parts and heavy-duty springs. The set includes both front and rear sights.

The Scout AR-15 Flip-Up Sight Set is designed to be compatible with all standard Picatinny rails, making them easy to install and use.

A unique feature is that even when folded, it can function as a backup sight thanks to an integrated secondary sighting system.

Safety Instruction Guide for the Scout AR15 FlipUp Sight Set

Introduction

Thank you for choosing the Scout AR15 FlipUp Sight Set. This guide provides important safety information and instructions to ensure the proper use and installation of your sight set. Please read this guide carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with AR15 firearms. Ensure you adhere to all safety guidelines while using this sight set.
- **Enhanced Recalls:** In the event of a recall, you will receive standardized notices. Please stay informed about any potential recalls that may affect your product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Store it in a safe place out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the sight set in any way. Alterations may compromise safety and performance.
- **Proper Handling:** Always handle the sight set with care. Avoid dropping or hitting it against hard surfaces.
- **Inspect Before Use:** Regularly inspect the sight set for any signs of wear or damage. Do not use if damaged.
- **Follow Firearm Safety Rules:** Always follow the basic rules of firearm safety when using this sight set, including treating all firearms as if they are loaded.
- **Use with Compatible Equipment:** Ensure that the sight set is used with standard Picatinny rails only. Incompatible equipment may lead to improper function.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required tools for your specific firearm.
2. **Select Location:** Choose a suitable location on your AR15's Picatinny rail for the front and rear sights.
3. **Align Sights:** Align the front and rear sights with the rail, ensuring they are positioned correctly for optimal sighting.
4. **Secure Sights:** Using the appropriate tools, securely fasten the sights to the rail. Ensure they are tight enough to prevent movement but do not overtighten to avoid damage.
5. **Check Alignment:** After installation, check the alignment of the sights to ensure they are properly installed.

Usage

- **Flipping Up Sights:** To use the flipup feature, gently pull up on the sight until it locks into place. Ensure it is secure before aiming.

- **Backup Functionality:** Even when folded, the sight can serve as a backup. Familiarize yourself with the integrated secondary sighting system for effective use.
- **Regular Maintenance:** Clean the sights regularly to maintain performance. Avoid using harsh chemicals that may damage the finish.

Disposal Instructions

- **Dispose Responsibly:** When the sight set reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the materials. Check with local recycling facilities for proper disposal methods for metal and plastic components.
