

Shooting Bag Traveller Git -Lite (Coyote)

[Home](#)

Inspired by the steadfast qualities of General Robert E. Lee's legendary horse, the Traveler rear shooting bag is a classic, versatile, and steadfast companion for marksmen on the hunt, at the range, or anywhere in between. A reliable addition to your range day essentials, or a convenient standby in your truck. Choose the fill that fits your lifestyle and shoot with confidence.

Constructed with resilient 500D Cordura, the Traveler withstands the rigors of the outdoors. Wet conditions? It dries to its original state, keeping you ready at all times.

Select from the ultra-light Git-Lite or the traditional House Fill to match your stability needs. Both are designed to provide a solid rest, whether for a precise shot or just bracing your gear.

Shooting Bag Traveller Safety Instruction Guide

Introduction

Thank you for choosing the Shooting Bag Traveller GitLite (Coyote). This guide provides essential safety instructions to ensure the safe and effective use of your shooting bag. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the shooting bag is used only for its intended purpose: as a support for shooting activities.
- Regularly inspect the shooting bag for wear and tear. Do not use if damaged.
- Store the shooting bag in a cool, dry place away from direct sunlight to maintain its integrity.
- Keep the shooting bag out of reach of children and vulnerable individuals when not in use.

Specific Safety Precautions for Use

- Always ensure that the shooting area is safe and free from bystanders.
- When using the shooting bag, ensure that it is placed on stable ground to avoid accidental movement.
- Do not overload the shooting bag beyond its intended capacity to maintain stability.
- Use the shooting bag only with compatible firearms and equipment.
- Avoid using the shooting bag in wet conditions unless it is necessary, as moisture can affect its performance.

Instructions for Installation and Usage

1. Preparation

- Remove the shooting bag from its packaging.
- Check for any visible signs of damage before use.

2. Filling the Shooting Bag

- Choose your preferred fill (GitLite or House Fill) based on your stability needs.
- If applicable, follow the instructions provided with the fill material to ensure proper filling.

3. Setting Up the Shooting Bag

- Place the shooting bag on a flat, stable surface.
- Adjust the positioning of the bag to ensure it provides a solid rest for your firearm.

4. Using the Shooting Bag

- Position your firearm securely on the shooting bag.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use the shooting bag to stabilize your aim for accurate shooting.

5. PostUse Care

- After use, clean the shooting bag if necessary to remove dirt or debris.
- Store the shooting bag in a protective cover if available.

Disposal Instructions

- When disposing of the shooting bag, follow local regulations for textile and plastic waste.
- If the shooting bag is damaged beyond repair, consider recycling materials where possible.
- Do not burn the shooting bag, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Shooting Bag Traveller GitLite (Coyote), please contact your local retailer or manufacturer. Ensure you have the product details ready for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Shooting Bag Traveller. Thank you for your attention to safety and responsible use.
