

# Shooting Bag Traveller House Fill (Multicam)

[Home](#)

Inspired by the steadfast qualities of General Robert E. Lee's legendary horse, the Traveler rear shooting bag is a classic, versatile, and steadfast companion for marksmen on the hunt, at the range, or anywhere in between. A reliable addition to your range day essentials, or a convenient standby in your truck. Choose the fill that fits your lifestyle and shoot with confidence.

Constructed with resilient 500D Cordura, the Traveler withstands the rigors of the outdoors. Wet conditions? It dries to its original state, keeping you ready at all times.

Select from the ultra-light Git-Lite or the traditional House Fill to match your stability needs. Both are designed to provide a solid rest, whether for a precise shot or just bracing your gear.

# Shooting Bag Traveller Safety Instructions

## Introduction

Thank you for choosing the Shooting Bag Traveller. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the Shooting Bag Traveller is used according to the instructions provided.
- Always inspect the product for any signs of damage before use.
- Do not use the bag if it is damaged or has been exposed to hazardous conditions.
- Keep the bag out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Material Safety:** The Shooting Bag is made from 500D Cordura nylon. Ensure that you are not allergic to this material before use.
- **Wet Conditions:** If the bag becomes wet, allow it to dry completely before storing or using it again to maintain its structural integrity.
- **Weight Limit:** Do not exceed the recommended weight limit for the bag to avoid instability and potential accidents.
- **Proper Handling:** Always handle the bag with care, especially when filled. Avoid dropping or throwing the bag to prevent damage.
- **Storage:** Store the bag in a cool, dry place when not in use to prevent degradation of materials.

## Instructions for Installation and Usage

### 1. Filling the Bag:

- Choose the appropriate fill (GitLite or House Fill) based on your stability needs.
- Open the filling compartment and add the desired fill material.
- Ensure that the fill is evenly distributed for optimal performance.

### 2. Using the Bag:

- Place the Shooting Bag on a stable surface.
- Adjust the position of the bag as needed to achieve a steady aim.
- Use the bag to support your firearm or equipment while shooting or during practice.

### 3. Maintenance:

- Clean the bag with a damp cloth to remove dirt or debris.
- Do not machine wash or tumble dry the bag, as this may damage the material.
- Regularly check for wear and tear, and replace the bag if necessary.

## Disposal Instructions

- Dispose of the Shooting Bag Traveller in accordance with local regulations.
- If the bag is no longer usable, consider recycling the materials where possible.
- Do not dispose of the bag in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the Shooting Bag Traveller, please reach out to the designated EU contact point or refer to the manufacturer's website for additional support.

Thank you for choosing the Shooting Bag Traveller. Your safety is our priority, and we hope you enjoy your experience with our product.
