Semi Automatic Chamber Flag Safety Instruction Guide

Introduction

Thank you for choosing the Semi Automatic Chamber Flag. This product is designed to enhance firearm safety by clearly indicating that a firearm is unloaded. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Use the chamber flag only in conjunction with unloaded firearms.
- Keep the chamber flag out of reach of children and unauthorized users.
- Regularly inspect the chamber flag for any signs of damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is completely unloaded before inserting the chamber flag.
- The chamber flag should be visible from both sides of the firearm.
- Do not use the chamber flag as a substitute for proper firearm safety practices.
- Avoid using the chamber flag in any manner not intended by the manufacturer.
- Keep the chamber flag clean and free from obstructions to ensure visibility.

Instructions for Installation and Usage

1. Installation:

- Open the action of the firearm to ensure it is unloaded.
- Insert the chamber flag into the chamber of the firearm until it is fully seated.
- Ensure that the flag is clearly visible from both sides of the firearm.

2. Usage:

- Always check the firearm to confirm it is unloaded before handling.
- When transporting or storing the firearm, ensure the chamber flag remains in place.
- Remove the chamber flag only when you are ready to load the firearm.

Disposal Instructions

- Dispose of the chamber flag in accordance with local regulations.
- Do not dispose of the chamber flag in a manner that could cause environmental harm.
- If the chamber flag is damaged or no longer usable, discard it responsibly.
