Semi Automatic Chamber Flag Safety Instructions

Introduction

Thank you for choosing the Semi Automatic Chamber Flag. This product is designed to enhance firearm safety by providing a clear visual indication that a firearm is unloaded. Please read this safety instruction guide carefully to ensure the safe use and handling of your chamber flag.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Use the chamber flag only in conjunction with unloaded firearms.
- Ensure that the chamber flag is visible at all times when the firearm is not in use.
- Store the chamber flag in a safe place, away from children and unauthorized users.
- Regularly inspect the chamber flag for signs of wear or damage before use.

Specific Safety Precautions for Use

- Only use the chamber flag with firearms that are designed to accommodate it.
- Do not rely solely on the chamber flag as a safety mechanism; always follow proper firearm safety protocols.
- If the chamber flag is damaged or does not fit securely in the firearm, do not use it.
- Keep the chamber flag out of reach of children and educate them about firearm safety.
- Do not modify the chamber flag in any way, as this may compromise its effectiveness.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm to verify it is unloaded.
- Insert the chamber flag into the chamber of the firearm until it is fully seated.
- Close the action of the firearm, ensuring the chamber flag remains visible.

2. Usage:

- Always keep the chamber flag in place when the firearm is not in use.
- Before handling or transporting the firearm, doublecheck that the chamber flag is installed correctly.
- Remove the chamber flag only when ready to use the firearm in a safe and controlled environment.

Disposal Instructions

- Dispose of the chamber flag in accordance with local regulations regarding plastic waste.
- Do not incinerate the chamber flag as it may release harmful substances.
