Semi Automatic Chamber Flag Safety Instructions

Introduction

Thank you for choosing the Semi Automatic Chamber Flag from The B Team. This product is designed to enhance firearm safety by clearly indicating when a firearm is unloaded. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the chamber flag is securely placed in the firearm's chamber when it is not in use.
- Store firearms in a safe and secure manner, away from unauthorized access, especially by children.
- Regularly inspect the chamber flag for any signs of wear or damage.
- Do not use the chamber flag if it is damaged. Replace it immediately.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Identification of Potential Hazards:**

- Improper use of the chamber flag may lead to accidental discharge of a firearm.
- Failure to use a chamber flag can result in misidentifying a loaded firearm.

- **Instructions for Avoiding Hazards:**

- Always verify that the firearm is unloaded before inserting the chamber flag.
- Ensure that the chamber flag is visible to all users of the firearm.
- Avoid using the chamber flag in any manner other than its intended purpose.

- **Age or Audience Specific Warnings:**

- This product is not a toy and should not be handled by children without adult supervision.
- Educate all users on the importance of firearm safety and the proper use of the chamber flag.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is pointed in a safe direction.
2. Open the action of the firearm and visually and physically inspect the chamber to confirm it is empty.
3. Insert the chamber flag into the chamber until it is fully seated.
4. Close the action of the firearm to secure the chamber flag in place.

- **Usage:**

- Always keep the chamber flag in place when the firearm is not in use.
- During transport, ensure that the chamber flag remains visible and secure.
- Remove the chamber flag only when you are ready to use the firearm in a safe environment.

Disposal Instructions

- Dispose of the chamber flag in accordance with local regulations.
- If the chamber flag is damaged, do not attempt to repair it. Discard it responsibly.
- Recycle any materials if applicable, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Semi Automatic Chamber Flag, please refer to the relevant authorities or your point of purchase for assistance.

Thank you for prioritizing safety with the Semi Automatic Chamber Flag. Your responsible use contributes to a safer environment for everyone.
