Semi Automatic Chamber Flag Safety Instructions

Introduction

Thank you for choosing the Semi Automatic Chamber Flag from Brownells. This product is designed to enhance firearm safety by allowing users to easily identify an unloaded firearm. This safety instruction guide provides essential information to ensure the safe use of the chamber flag in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Use the chamber flag only in conjunction with a properly cleared and unloaded firearm.
- Regularly inspect the chamber flag for any signs of damage or wear.
- Store the chamber flag in a safe and secure location when not in use.
- Keep the chamber flag out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Ensure that the firearm is completely unloaded before inserting the chamber flag.
- Do not rely solely on the chamber flag as a safety measure; always follow standard firearm safety practices.
- Avoid using the chamber flag in environments where it could be misinterpreted as a loaded firearm.
- If the chamber flag becomes damaged or discolored, discontinue its use and replace it immediately.

Instructions for Installation and Usage

1. Check the Firearm:

- Ensure that the firearm is pointed in a safe direction.
- Open the action and visually and physically inspect the chamber to confirm that it is unloaded.

2. Insert the Chamber Flag:

- Insert the chamber flag into the open chamber of the firearm.
- Ensure that the bright neon green color is visible, indicating that the firearm is unloaded.

3. Remove the Chamber Flag:

- Before handling or firing the firearm, remove the chamber flag.
- Store the chamber flag in a safe place when not in use.

Disposal Instructions

- Dispose of the chamber flag in accordance with local waste disposal regulations.
- Do not incinerate or dispose of the chamber flag in a manner that could cause environmental harm.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Semi Automatic Chamber Flag, please contact the manufacturer directly. Ensure that you have the product information available for a quicker response.

By following these safety instructions, you can help ensure a safe environment for yourself and others when handling firearms. Thank you for your commitment to firearm safety.
